The Oxford Handbook of Children's Literature Jan 03 2020 The Oxford Handbook of Children's Literature is an ambitious new resource that provides a thorough grounding in the field through a selection of original interdisciplinary essays on canonical and popular works in the Anglo American tradition. Twenty-six essays by top scholars from varied disciplines address theoretical, historical, sociological, and critical issues through analyses of classic novels such as Alice's Adventures in Wonderland, Anne of Green Gables, and The Swiss Family Robinson; early educational and religious works such as The New England Primer and Froggy's Little Brother; picture books, comics and graphic novels such as Millions of Cats, Peanuts and American Born Chinese; early readers, including The Cat in the Hat and the Frog and Toad books; newer children's classics such as Roll of Thunder, Hear My Cry and Are You There, God? It's Me, Margaret, the Harry Potter series and His Dark Materials trilogy; and works of poetry and drama, including The Dream Keeper and Peter Pan. Other media such as the classic album Free to Be... You and Me and the generation-defining cartoon film Dumbo are also addressed. An editors' introduction sets the stage by reviewing the field's history, foundational scholarship, and current critical trends. The handbook is geared toward graduate students, advanced undergraduates, and scholars new to the study of children's literature, as well as teachers, librarians and others wishing to immerse themselves in the most vital new research in this vibrant and growing field.

A Dot in the Snow Dec 14 2020 A little polar bear, Miki, wanders away while his mother is diving for fish. He sees a dot in the snow and rushes towards it. Readers discover that the dot is a little girl. But Miki has never seen a human before and the little girl has never seen a polar bear. They discover more about each other as they play in the snow but then the perils of the polar landscape impel Miki to take the little girl home before undertaking the long journey to find his own mother. Although one is a polar bear and one is a little girl, Miki and Dot share a common experience: they are both separated from their mothers when they meet. Their bond of friendship gives them the strength to support each other during the course of a day that will last with them both forever. This is a moving and poignant story set in a changing and challenging polar landscape, perfect for the Christmas season. It wraps up important themes about empathy,

kindness, and courage. The story is both simply told and affecting. The gorgeous snowscapes, full of real atmosphere, are created with printmaking techniques by debut illustrator Fiona Woodcock.

Very Short Introductions for Curious Young Minds: the Invisible World of Germs Jun 07 2020 This title is part of the important new series from Oxford which provides accessible introductions to the ideas, facts, and vocabulary behind an absorbing range of subjects. Meticulously researched and authoritative but written in simple language by experts in their fields, curious young readers will quickly get to grips with the basic principles and terminology of each subject. *The Invisible World of Germs* introduces, in a clear and interesting way, early theories about diseases and how they spread, what bacteria, fungi, protists and viruses are and how they behave. It also explores our natural defences and how we protect ourselves from the ever-changing threat of infection. The engaging design highlights the heroes of the subject from early beginnings to modern day and explains tricky terminology in 'Speak like a Scientist' features. Comic strips and illustrations, amazing photographs, and a timeline, glossary and index, all make this handy-sized book the perfect way to learn. If you love this title, why not collect them all? *The Invisible World of Germs* is part of a collectible set which will build into a diverse range of subjects.

Oxford Children's Classics: World of Wonder box set Mar 05 2020 A beautiful boxed set containing four of the greatest stories ever told - *Anne of Green Gables*, *Alice's Adventures in Wonderland* and *Through the Looking-Glass*, *The Secret Garden*, and *Black Beauty*. These new editions have a fresh and contemporary feel to make the books come alive for today's modern readers. As well as the unabridged text, they also contain masses of bonus features so readers can continue their experience of the story. There are also recommendations for other books, films, and TV shows - classic and contemporary - for readers to try next. The perfect gift for anyone who loves a good story!

Oxford Handbook of Children's and Young People's Nursing Apr 17 2021 The Oxford Handbook of Children's and Young People's Nursing second edition provides concise, practical and expert advice on all aspects of the nurse's role. Written for both practising and student nurses, it is a comprehensive and reliable guide to the care of children and young people in a family context.

The Oxford Handbook of Children's Rights Law Jul 21 2021 Children's rights law is a relatively young but rapidly developing discipline. The U.N. Convention on the Rights of the Child, the field's core legal instrument, is the most widely ratified human rights treaty in history. Yet, like children themselves, children's rights are often relegated to the margins in mainstream legal, political, and other discourses, despite their application to approximately one-third of the world's population and every human being's first stages of life. Now thirty years old, the Convention on the Rights of the Child (CRC) signalled a definitive shift in the way that children are viewed and understood—from passive objects subsumed within the family to full human beings with a distinct set of rights. Although the CRC and other children's rights law have spurred positive changes in law, policies, and attitudes toward children in numerous countries, implementation remains a work in progress. We have reached a state in the evolution of children's rights in which we need more critical evaluation and assessment of the CRC and the large body of children's rights law and policy that this treaty has inspired. We have moved from conceptualizing and adopting legislation to focusing on implementation and making the content of children's rights meaningful in the lives of all children. This book provides a critical evaluation and assessment of children's rights law, including the CRC. With contributions from leading scholars and practitioners from around the world, it aims to elucidate the content of children's rights law, explore the complexities of implementation, and identify critical challenges and opportunities for children's rights law.

Where Three Oceans Meet Feb 13 2021 A child, mother, and grandmother travel all the way to the end of the earth in this picture book that celebrates multigenerational love—perfect for fans of *Drawn Together* and *Alma*. “I want to see what's at the end of the earth!” Sejal, Mommy, and Pati travel together to the southern tip of India. Along the way, they share meals, visit markets, and catch up with old friends. For Pati, the trip retraces spaces she knows well. For Mommy, it's a return to the place she grew up. For Sejal, it's a discovery of new sights and sounds. The family finds their way to Kanyakumari, where three oceans meet, and delight in making it to the end of the earth together. This own voices picture book celebrates the beauty of India and the enduring love of family.

Oxford Textbook of Palliative Care for Children Jan 27 2022 The importance of palliative care for children facing life threatening illness and their families is now widely acknowledged as an essential part of care, which should be available to all children and families, throughout the child's illness and at the end of life. The new edition of the Oxford Textbook of Palliative Care for Children brings together the most up to date information, current knowledge, evidence, and developments of clinical practice in the field. The book is structured into four sections. 'Foundations of Care' describes core issues, the foundations on which paediatric palliative care is based. 'Child and Family Care' looks at different aspects of psychological, social, and cultural care for the sick child or young person, and their family. These chapters cover the time course of the illness, around the time of death and support for the bereaved family. 'Symptom Care' focuses on the uses of medication, specific symptoms, and their management. Finally, 'Delivery of Care' examines practical approaches to care in different environments and the needs of clinicians. Two new editors join the team from Canada and South Africa, reflecting our aims to contribute towards the development of care for children across the world, and to be a resource for both experienced clinicians and those new to the field. Comprehensive in scope, exhaustive in detail, and definitive in authority, this third edition has been thoroughly updated to cover new practices, current epidemiological data, and the evolving models that support the delivery of palliative medicine to children. This includes two new chapters, looking in detail at 'Decision Making' and 'Perinatal Care', and a new section highlighting the emerging importance of 'Palliative Care for Children in Humanitarian Crises'. This book is an essential resource for anyone who works with children worldwide.

I Want to Go First! Oct 12 2020 In this playful and engaging new story from innovative picture book maker Richard Byrne, Elphie is lining up with the other

elephants to start the long march to the watering hole at the back of the book. As the littlest elephant, he has to go last. But Elphie really wants to go first and enlists the help of the reader to help him move up the queue. He almost manages it until the biggest elephant shuffles everyone back to their proper positions just as they arrive at the watering hole. But the watering hole is already occupied by a very, very big and very, very selfish elephant. Elphie's resourcefulness saves the day and on the long march home, the other elephants decide that Elphie should go . . . *SPOILER ALERT* . . . you'll just have to read the book to find out!

Midsummer's Mayhem Jul 09 2020 Can Mimi undo the mayhem caused by her baking in this contemporary-fantasy retelling of Shakespeare's *A Midsummer Night's Dream*? Eleven-year-old Mimi Mackson comes from a big Indian American family: Dad's a renowned food writer, Mom's a successful businesswoman, and her three older siblings all have their own respective accomplishments. It's easy to feel invisible in such an impressive family, but Mimi's dream of proving she's not the least-talented member of her family seems possible when she discovers a baking contest at the new bakery in town. Plus, it'll start her on the path to becoming a celebrity chef like her culinary idol, Puffy Fay. But when Mimi's dad returns from a business trip, he's mysteriously lost his highly honed sense of taste. Without his help, Mimi will never be able to bake something impressive enough to propel her to gastronomic fame. Drawn into the woods behind her house by a strangely familiar song, Mimi meets Vik, a boy who brings her to parts of the forest she's never seen. Who knew there were banyan trees and wild boars in Massachusetts? Together they discover exotic ingredients and bake them into delectable and enchanting treats. But as her dad acts stranger every day, and her siblings' romantic entanglements cause trouble in their town, Mimi begins to wonder whether the ingredients she and Vik found are somehow the cause of it all. She needs to use her skills, deductive and epicurean, to uncover what's happened. In the process, she learns that in life as in baking, not everything is sweet. . . .

Oxford Book of Poetry for Children Oct 24 2021 A collection of poems by English poets.

The Oxford Children's Colour Dictionary Aug 02 2022 This paperback version of *The Oxford Junior Dictionary* features 6000 headwords accompanied by simple definitions and examples, and supported by colour illustrations.

Oxford Children's Dictionary Oct 04 2022 Over 30,000 words, clear and accessible meanings and age-appropriate example sentences, make this an ideal dictionary for homework help for children aged 8+. Each letter opens with a fun word fact such as at A: "almost" is the longest word with all the letters in alphabetical order, and it is illustrated throughout. Compiled using the Oxford Children's Corpus, it reflects children's vocabulary and delivers support and help where it's needed. The new supplement shows grammar and punctuation in action - making it easy to see how to write clearly and effectively as well as targeting the top words children most often misspell.

The Sociology of Children's Rights Apr 05 2020 Children's rights appear universal, inalienable, and indivisible, intended to advance young people's interests. Yet, in practice, evidence suggests the contrary: the international framework of treaties, procedures, and national policies contains fundamental contradictions that weaken commitments to children's real-world protections. Brian Gran helps us understand what is at stake when children's rights are compromised. This insightful text grounds readers in core theories and key data about children's legal entitlements. The chapters tackle central questions about what rights accrue to young people, whether they advance equality, and how they influence children's identities, freedoms, and societal participation. Ultimately, this book shows how current frameworks hinder young people from possessing and benefiting from human rights, arguing that they function as cynical invitations to question whether we truly believe children are endowed with human rights. *The Sociology of Children's Rights* offers a critical and accessible introduction to understanding a complex issue in the contemporary world, and is a compelling read for students and researchers concerned with human rights in sociology, political science, law, social work, and childhood studies.

Read Write Inc.: Phonics Handbook Sep 22 2021 This is the teacher's handbook introducing Read Write Inc. Phonics - a synthetic phonics reading scheme. It contains step-by-step guidance on implementing the programme, including teaching notes for lessons, assessment, timetables, matching charts and advice on classroom management and developing language comprehension through talk.

Oxford Children's Classics World of Adventure Box Set May 07 2020 An eye-catching boxed set containing four of the greatest stories ever told - *Treasure Island*, *The Jungle Book*, *The Wind in the Willows*, and *The Adventures of Tom Sawyer*. These new editions have a fresh and contemporary feel to make the books come alive for today's modern readers, and as well as the unabridged text, they also contain masses of bonus features so readers can continue their experience of the story as well as recommendations for other books, films, and TV shows - classic and contemporary - for readers to try next. The perfect gift for anyone who loves a good story!
