[Kipper](#) Sep 20 2021 "Great poets deserve many translators, and Nancy Naomi Carlson brings her ear to Char's work in English in a compelling way. Anyone who opens this book...will love her musical use of our language....(T)his new translation of Char's work...shows us...the intensity, the dream-like language, the gravity of tone, and the constant impression that one is reading not words in the language, but sparks of flames that defy any attempt at interpretation, or rather open themselves to multiple interpretations at once, clashing with each other, their intersections catching fire." from the Foreword to STONE LYRE, by Ilya Kaminsky, poet and author of DANCING IN ODESSA

The Hueys in None The Number Mar 15 2021 Learn to count with the #1 New York Times bestselling artist of The Day the Crayons Quit and his hilarious cast of Hueys! "Is none a number?" you might ask. I'm glad you did. The answer is Yes! For example, how many lumps of cheese do you see next to you? The answer, depending on where you are, is likely "none." Counting with the reader all the way up to ten, the Hueys explain numbers as only they can. Such as: The number 4 is the number of tantrums thrown by Dave every day. 7 is the number of oranges balanced on things. And 9 is the number of seagulls who attacked Frank's French fries. Together they make quite a spectacle. But when you take away all of these fun illustrations in the book? You're left with none! This funny and accessible counting book from #1 New York Times bestseller Oliver Jeffers (The Day the Crayons Quit; This Moose Belongs to Me) gives the Hueys one more reason to be every young child's best friends.
