Mindset Is Everything Jan 24 2022 Luck is an illusion. Mindset is Everything demonstrates the fact that your mind matters in goal achievement. Firstly, you need a target to aim for. Secondly, you need a game plan that will lead you in the direction of your target. Lastly, you need to be able to follow through with your game plan to be able to hit your target. This book is your guide to unlimited fulfillment. Whether youre a tortoise or a hare, this book will get you there! This book will use real life practical solutions that demonstrate how to persevere in times when you are discouraged or when things dont go according to the game plan. Life is complicated and will present challenges that you need to be able to adapt to. Inevitably, in taking control of your mindset which is internal, you can control what happens externally in the environment presented to you. What Ive discovered through my ongoing research in personal development is that most people because of no target to aim for are uncertain towards what they truly want

from their life. Essentially, when an incentive is high enough to hit a target, we will find a way to do so. This disproving the myth that luck is real.

Everything I Never Told You Dec 11 2020 The acclaimed debut novel by the author of Little Fires Everywhere and Our Missing Hearts "A taut tale of ever deepening and quickening suspense." —O, the Oprah Magazine "Explosive . . . Both a propulsive mystery and a profound examination of a mixed-race family." —Entertainment Weekly "Lydia is dead. But they don't know this yet." So begins this exquisite novel about a Chinese American family living in 1970s small-town Ohio. Lydia is the favorite child of Marilyn and James Lee, and her parents are determined that she will fulfill the dreams they were unable to pursue. But when Lydia's body is found in the local lake, the delicate balancing act that has been keeping the Lee family together is destroyed, tumbling them into chaos. A profoundly moving story of family, secrets, and longing, Everything I Never Told You is both a gripping page-turner and a sensitive family portrait, uncovering the ways in which mothers and daughters, fathers and sons, and husbands and wives struggle, all their lives, to understand one another.

It is a powerfully layered novel that poses the questions: Who owns the truth? Who speaks it? Who believes it? "A patchwork story is the shame of the refugee," Nayeri writes early in the novel. In an Oklahoman middle school, Khosrou (whom everyone calls Daniel) stands in front of a skeptical audience of classmates, telling the tales of his family's history, stretching back years, decades, and centuries. At the core is Daniel's story of how they became refugees—starting with his mother's vocal embrace of Christianity in a country that made such a thing a capital offense, and continuing through their midnight flight from the secret police, bribing their way onto a plane-to-anywhere. Anywhere becomes the sad, cement refugee camps of Italy, and then finally asylum in the U.S. Implementing a distinct literary style and challenging western narrative structures, Nayeri deftly weaves through stories of the long and beautiful history of his family in Iran, adding a richness of ancient tales and Persian folklore. Like Scheherazade of One Thousand and One Nights in a hostile classroom, Daniel spins a tale to save his own life: to stake his claim to the truth. **EVERYTHING SAD IS UNTRUE** (a true story) is a tale of heartbreak and resilience and urges readers to speak their truth and be heard.

Anything You Want Jan 12 2021 You can follow the beaten path and call yourself an entrepreneur or you can blaze your own trail and really be one. When Derek Sivers started CD Baby, he wasn't planning on building a major business. He was a successful independent musician who just wanted to sell his CDs online. When no one would help him do it, he set out on his own and built an online store from scratch. He started in 1998 by helping his friends sell their CDs. In 2000, he hired his first employee. Eight years later, he sold CD Baby for \$22 million. Sivers didn't need a business plan, and neither do you. You don't need to think big; in fact, it's better if you don't. Start with what you have, care about your customers more than yourself, and run your business like you don't need the money.
