Saint Brigid of Kildare Jun 28 2022 Despite being the female patron saint of Ireland and one of the most remarkable women in Irish history, St. Brigid has always been an elusive figure. Some scholars have argued that she never existed as a real person but was merely the Christian personification of the cult of a pagan goddess of the same name. This book reviews all the evidence—history, legend and folklore—and concludes that while she has many of the attributes of the goddess Brigit, she was certainly a real person. The book also reviews her cult and veneration in Ireland and overseas, from her lifetime down to the present day, as attested by place-names, holy wells, and folklore, and also by the large numbers of churches (Roman Catholic and Church of Ireland), schools, and GAA clubs dedicated to her. Northern / Irish Feminist Judgments Aug 19 2021 The Northern/Irish Feminist Judgments Project inaugurates a

fresh dialogue on gender, legal judgment, judicial power and national identity in Ireland and Northern Ireland. Through a process of judicial re-imagining, the project takes account of the peculiarly Northern/Irish concerns in shaping gender through judicial practice. This collection, following on from feminist judgments projects in Canada, England and Australia takes the feminist judging methodology in challenging new directions. This book collects 26 rewritten judgments, covering a range of substantive areas. As well as opinions from appellate courts, the book includes first instance decisions and a fictional review of a Tribunal of Inquiry. Each feminist judgment is accompanied by a commentary putting the case in its social context and explaining the original decision. The book also includes introductory chapters examining the project methodology, constructions of national identity, theoretical and conceptual issues pertaining to feminist judging, and the legal context of both jurisdictions. The book, shines a light on past and future possibilities - and limitations - for judgment on the island of Ireland. 'This book provides a rich and expansive addition to the feminist judgments catalogue. The ... judgments demonstrate powerfully how Northern/Irish judges have contributed to the gendered politics of national identity, and how the narrow subject-positions they have created for women and 'others' could have been so much wider and more open.' Professor Rosemary Hunter, School of Law, Queen Mary University London. 'The Northern/Irish Feminist Judgments Project is inspirational reading for anyone interested in feminism or Irish studies ... It is a model of how to conduct feminist enquiry. Its most innovative contribution to scholarship and politics is how the rewriting of landmark legal judgments from a feminist perspective allows us to imagine (and therefore begin to construct) a more egalitarian, a more just, future.' Associate Professor Katherine O'Donnell, School of Philosophy, University College Dublin. If you let it, this book will make you think. ... It made me think – it reminded me, I suppose – that legal writing can be wonderful: rigorous, creative, deeply observant, provocative. Read it and see what it makes you think. Professor Thérèse Murphy, School of Law, Queen's University Belfast

Revelations of St. Bridget and Church Reform Dec 31 2019 Revelations given to the 14th Century mystic, St Bridget of Sweden by God, the Virgin Mary, and various saints relating to apostasy and Church reform. The specially chosen revelations in this book, taken from the many St Bridget received, have great pertinence for today, as we also live in an age of widespread apostasy and alienation from God and his law. There is much spiritual and moral counsel in these heavenly revelations so as to help the reader to know how to live a life pleasing to Our Lord.

Hymns of St. Bridget & Other Writings Apr 26 2022 Poetry. Drama. Fiction. This book contains rare unpublished and out of print poems, a play, and an unfinished 'novel', all written in collaboration in the early 1960's. HYMNS comprises the full run of poetry and prose the two poets wrote in collaboration between 1960 and 1964. Two-thirds of these have never before appeared in book form. Berkson's and O'Hara's "hymns," inspired by the crooked steeple of the Church of St. Bridget on New York's Lower East Side, address themes of love, protestation, travel and more. (The final two are songs in praise of the New York School master painters, Willem de Kooning and Philip Guston.) The other writings include further collaborative poems; a lengthy epistolary fiction involving two long-lost brothers, Angelicus and Fidelio Fobb; Marcia, an Unfinished Novel (with Patsy Southgate), a play written on a jetliner over the Atlantic, and dizzying notes on the New York City Ballet and the French 'cubist' poet Pierre Reverdy.

The Revelations of Saint Bridget of Sweden Dec 03 2022 "God is disgusted by the fall and ruin of his holy Church ... drops of burning and smoking sulfur are dripping from the roof; the walls are as revolting to look at as pus mingled with rotting blood." These are startling words, and they are from one of the many revelations received by St Bridget (or "Birgitta") of Sweden (1303-1373): wife, mother of eight, widow, social and Church reformer, mystic, and foundress of the Order of the Most Holy Savior, also known as the Brigittine Order. The world has witnessed in recent years a rapidly growing interest in St Bridget among Catholics as well as Protestants, and even non-Christians, scholars and the general population alike. Pope John Paul II declared St Bridget Co-Patroness of Europe (1 Oct 1999) and called her a Model for Today's Woman (3 Oct 2002), seeing in her life and in her writings a powerful witness to the Gospel, an "icon" as it were, reflecting the beauty, goodness and loving mercy of God - as well as his justice - to our modern world in great need, like the Prodigal Son, of coming to its senses and returning to its Father. St Bridget is best known for the Revelations, the divinely inspired messages she received from God the Father, Jesus, the Virgin Mary and numerous saints over a period of almost 30 years. Although the Revelations consist of twelve books and hundreds of pages and treat of a wide variety of subjects, including visions and messages Bridget received regarding the infancy, life and sufferings of Christ which are not found in the gospels, there can also be found throughout the work messages which are of utmost pertinence for today, showing the "actuality" of St Bridget for the Church and for the world in our times. This collection of Books 1-5 of the Revelations is large, 8"x10" and 418 pages and contains most of the important revelations given to the saint, and it is priced low for wide distribution of these timeless messages pertinent to our times as much as or even more so than St Bridget's. See also my book, "The Revelations of St Bridget and Church Reform."

The Spiritual Direction of St. Claude De La Colombiere Sep 27 2019 As a spiritual director Saint Claude, canonized by Pope John Paul II, ranks among the masters of the spiritual life. He gave guidance to countless souls, including Saint Margaret Mary Alacoque, the seventeenth-century French visionary who received the Sacred Heart revelations. In prayer she heard Jesus say of Father Claude that his "talent is to lead souls to God". Saint Claude was a clever psychologist who easily read the hearts of others. His sure judgment, aided by grace, enabled him to understand the difficulties of people and to give them sound advice. Readers of this spiritual gem, which contains excerpts from his notes, letters, and retreats, will find it full of practical wisdom on confession, Mass and Communion, confidence in God, peace of soul, love of neighbor, and much more.

Saving St Brigid's Feb 10 2021 At the top of a hill in south-west Victoria, surrounded by rolling green hills that fall away to the Southern Ocean, sits a grand old red-brick church. For more than 150 years, these fertile volcanic fields have sustained the largest rural population of Irish descent in Australia. Built and paid for by the children of famine survivors, St Brigid's is a symbol of faith and hope in an ancient land, by a cold, wild sea. In 2009, the Catholic Church put the church and hall up for sale, against the wishes of the local community. What began as a small local issue soon became a national news story, in a battle that went all the way to Rome. Saving St Brigid's is the truly unique story of a small Australian rural community who, in the spirit of their Irish rebel ancestors, stood up for what they believed in. Their fight for justice awakens the author to the richness of her Irish Catholic culture, and its lasting legacy on the community and the Church, she grew up in. Through the lens of her Irish heritage and that of the local indigenous people she weaves together a lyrical narrative of song and story, and discovers just how much our ancestral traditions have to teach us if we are to transform the world we live.

The Revelations of Saint Bridget of Sweden Oct 01 2022 This book consists of The Revelations of Saint Bridget of Sweden, Book 11: "The Sermon of the Angel," on Salvation History from Adam and Eve to Christ, including much on the Blessed Virgin Mary; Book 12: "Four Prayers" which were divinely revealed to Saint Bridget; plus The 15 "Magnificent Prayers of Saint Bridget" to Our Suffering Lord Jesus Christ. The reader will find in it a fruitful source of prayer and meditation, as have so many people throughout the centuries since they were first revealed to the holy mystic and visionary. See also "The Revelations of St Bridget and Church Reform" and the edited "Revelations of Saint Bridget of Sweden: Books 1-5." St Bridget (or "Birgitta") of Sweden was born in June 1303 in the castle of Finsta near Uppsala in Sweden; her father Birgen Persson was the governor of the region of Uppland, her mother Ingeborga was also of noble lineage. Bridget married very early, had several children, and then in 1341, Bridget and her husband decided to celebrate their Silver Anniversary by going on a pilgrimage to Santiago of Compostella. This event marks a decisive turning point in the life of the two spouses, who for some time were already living their matrimony in chastity. During the return trip, Ulf, her husband, decided to embrace the religious life and was received into the Cistercian Abbey of Alvastra, where he died only a few years later. Bridget, having completed her mission as wife and mother, decided to transfer herself to an outbuilding to the monastery at Alvastra, where she remained for almost three years until 1346. It was the beginning of the most extraordinary phase of her life; after a period of austerity and of meditation on the Divine Mysteries of the Passion of the Lord and the Sorrows and Glories of the Virgin, she began to have visions of Christ, Who in one of these visions elects her "Messenger of the Great Lord." To her spiritual directors, such as Fr. Matthias, Bridget dictated her famous "Revelations," sublime intuitions and supernatural illuminations, which she had all her life and were then collected in eight volumes. Afterwards she went to Rome and here, under the dictation of an Angel, wrote "The Hymn of the Angel" or "Angelic Sermon." It deals with twenty-one Letters to be read every day of the week during the morning Masses in honor of the Blessed Virgin Mary. Saint Bridget, during one Eucharistic celebration, has a revelation of the Angels in Eucharistic Adoration: "After the priest had pronounced the divine words over the bread, it seemed to me that that same bread took on three figures, although it remained in the hands of the priest. That Bread became a living Lamb, in the Lamb was seen the face of a man and on the inside and on the outside of the Lamb and of that face there was an ardent flame. As I was watching the face with attention, without averting my eyes, in it I saw the Lamb. And looking at the Lamb I also saw that same face in the Lamb. A Crowned Virgin was sitting with the Lamb and all the Angels were attending to her; the Lamb emanated a marvelous splendor. Also the multitude of holy souls was so numerous that my eyes could not contain it all, not in length, not in width, not in depth" (Book 8, 54). Later on, the Saint is a witness to a conversation between Jesus and the Virgin about the creation of the world and of all things visible and invisible. Among these the Angels, who at the moment of their creation, in complete liberty, were given the choice either to accept God and His love, or to refuse Him.

Brigid of Kildare Jun 16 2021 Rich in historical detail, Heather Terrell's mesmerizing novel Brigid of Kildare is the story of the revolutionary Saint Brigid and the discovery of the oldest illuminated manuscript in the annals of the

Church, a manuscript that contains an astonishing secret history. Fifth-century Ireland: Brigid is Ireland's first and only female priest and bishop. Followers flock to her Kildare abbey and scriptorium. Hearing accounts of Brigid's power, the Church deems her a threat and sends Decius, a Roman priest and scribe, on a secret mission to collect proof of Brigid's heresy. As Decius records the unorthodox practices of Brigid and her abbey, he becomes intrigued by her. When Brigid assigns Decius a holy task—to create the most important and sacred manuscript ever made—he finds himself at odds with his original mission and faces the most difficult decision of his life. Modern day:

Alexandra Patterson, an appraiser of medieval relics, has been summoned to Kildare to examine a reliquary box believed to belong to Saint Brigid. Hidden within the sacred box is the most beautiful illuminated manuscript Alex has ever seen. But even more extraordinary is the contents of the manuscript's vellum pages, which may have dire repercussions for the Catholic Church and could very well rewrite the origins of Christianity.

The Story of Saint Brigid May 16 2021 A beautifully illustrated book of Ireland's patron saint Bridgid.

The Prophecies and Revelations of Saint Bridget of Sweden Mar 26 2022 Bridget of Sweden (1303 to 1373; also Birgitta of Vadstena, Saint Birgitta, was a mystic and saint, and founder of the Bridgettines after the death of her husband of twenty years. She was also the mother of Catherine of Vadstena. As a child, she had already believed herself to have visions; these became more frequent, and her records of these "Celestial revelations" which were translated into Latin by Matthias, canon of Linköping, and by her confessor, Peter, prior of Alvastra, obtained a great vogue during the Middle Ages. Her visions of the Nativity of Jesus had a great influence on depictions of the Nativity of Jesus in art. Shortly before her death, she described a vision which included the infant Jesus as lying on the ground, and emitting light himself, and describes the Virgin as blond-haired; many depictions followed this and reduced other light sources in the scene to emphasize this effect, and the Nativity remained very commonly treated with chiaroscuro through to the Baroque. Other details often seen such as a single candle "attached to the wall," and the presence of God the Father above, also come from Bridget's vision. This edition contains all that is known today of the visions and prophecies of Saint Bridget and most of her prayers.

The World of Saint Patrick Jul 06 2020 The legend of Saint Patrick is irresistibly captivating—he drove the snakes out of Ireland, battled the druids, and used the three-leaf Shamrock to convert the pagan Irish to belief in the Christian Trinity. Yet, as so often happens, these stories are mere myths that fold under closer scrutiny. Snakes never plagued the Irish countryside, and the Emerald Isle's most beloved saint wasn't even Irish but a Briton of the Roman nobility. Fortunately, the truth is even more fascinating. In *The World of Saint Patrick*, classical scholar Philip Freeman offers the definitive account of Saint Patrick's life through new and vibrant translations of the greatest works of early Christian Ireland. This story of great violence, brutality, and even greater faith begins with two letters Patrick wrote describing his kidnapping by pirates at age sixteen and subsequent slavery. Although his grandfather was a priest and his father a deacon, at the time of his kidnapping Patrick had rejected his childhood faith in favor of atheism. Yet in this deeply moving narrative, Patrick recounts how he regained his faith during his captivity, and how the voice of God guided him both in his escape from bondage and in his eventual return to Ireland as a missionary to the very people who had enslaved him. *The World of Saint Patrick* delves into colorful tales of Patrick's struggles with pagan kings, soaring hymns of praise, and a prayer of protection against forces of evil such as "the magic of women, blacksmiths, and druids." Freeman also examines the life of Saint Brigid, Ireland's first female saint, and the legendary voyage of Saint Brendan and his monks across the western ocean. Both general readers with an interest in Ireland's saints and scholars studying religion or medieval history will be unable to put down this captivating tale of Ireland's greatest saint and the remarkable times in which he lived.
