**Dr. George Sheehan's Medical Advice for Runners** Oct 31 2019 Advice on running fitness and developing a stress-defense system supplements a comprehensive guide to the causes, symptoms, treatment, and prevention of athletic injuries and illnesses.

*Living with Dogs* Aug 29 2019 A photographic celebration of the canine world journeys around the country, offering hundreds of full-color images of devoted dog lovers, their canine companions, and the objects that express the bonds they share, accompanied by a detailed directory of sources, resources, and services. 20,000 first printing.

*Business and Corporate Aviation Management, Second Edition* Apr 29 2022 The best resource on how to establish and run a company flight department--revised and updated! Business and Corporate Aviation Management, Second Edition, is the most comprehensive and practical guide for a company to start an on-demand air transportation system--and make it work. This one-of-a-kind resource skillfully blends business and aviation issues to provide solid decision-making strategies and smart operating practices needed to define, establish, and manage a corporate flight department--utilizing the author's more than four decades of experience in the aviation industry. As business aviation continues to evolve, this blueprint for developing successful flight departments is changing with it. Fully updated, the Second Edition includes the latest business aircraft, equipment technology, and maintenance practices. It has also been revised to reflect the growing importance of safety management systems along with changes in running and managing a flight department. New to this edition: Current regulations and aviation statistics Tables and graphs updated to reflect current values Regulations associated with increased international operations New material added to each chapter Operations and Safety chapters completely revised Updated management techniques

**A Fiery Peace in a Cold War** Mar 17 2021 The US-Soviet arms race, told through the story of a colorful and visionary American Air Force officer—melding biography, history, world affairs, and science to transport the reader back and forth from individual drama to world stage.

"Compulsively readable and important." —The New York Times Book Review In this never-before-told story, Neil Sheehan—winner of the Pulitzer Prize and the National Book Award -- details American Air Force officer Bernard Schriever’s quest to prevent the Soviet Union from acquiring nuclear superiority, and describes American efforts to develop the unstoppable nuclear-weapon delivery system, the intercontinental ballistic missile, the first weapons meant to deter an atomic holocaust rather than to be fired in anger. In a sweeping narrative, Sheehan brings to life a huge cast of some of the most intriguing characters of the cold war, including the brilliant physicist John Von Neumann, and the hawkish Air Force general, Curtis LeMay.

**The Psalms of David** Jan 27 2022 "In this rendering, the Psalms become once again what they were for Christian believers from the very beginning: the hymnal of the Church. They remain, certainly, the songs of Israel: from its cries of lamentation to its shouts of exultation. But for the Christian reader, they become as well hymns of petition and praise that express both the joy and the longing of those who live 'in Christ' . . . At the same time their very language can convey to us the assurance that, as he has throughout the millennia, God hears our prayer and responds to it with boundless mercy, love, and compassion. --from the Preface by Fr. John Breck Professor Sheehan's brief introductory exposition of the Davidic roots of Psalms and the poetics of chiasmus guides us in understanding how the ruining oppositions of actual experience are held in Psalms within the musical disciplines of lyric art: held, until God Himself can be seen in the ruins: seen, and felt, and overwhelmingly and gratefully loved. The psalmist's world doesn't change as he turns his experience toward God. What changes is he himself. How he changes is toward acquiring the very mind of Christ, to which each of us is called. "

*Billy Sheehan Advanced Bass* Sep 22 2021 Billy Sheehan shares the secrets of his signature techniques, including neck bends, tapping, pinch harmonics, and much more! This eye-opening look into the mind of a bass master will add new dimensions to your own playing. 32 pages.

**Running & Being** Nov 05 2022 A New York Times bestseller for 14 weeks in 1978, Running & Being became known as the philosophical bible for runners around the world. More than thirty years after its initial publication, it remains every bit as relevant today. Written by the late, beloved Dr. George Sheehan, Running & Being tells of the author's midlife return to the world of exercise, play, and competition, in which he found "a world beyond sweat" that proved to be a source of great revelation and personal growth. But Running & Being focuses more on life than it does, specifically, on running. It provides an outline for a lifetime program of fitness and joy, showing how the body helps determine our mental and spiritual energies. Drawing from the words and actions of the great athletes and thinkers throughout history, Dr. Sheehan ties it all together with his own philosophy on the importance of fitness and sport, as well as his knowledge of training, injury prevention, and race competition. Above all, he describes what it means to experience the oneness of body and mind, of self and the universe. In this, he argues, we have the power to discover "the truth that makes men free."

**Corey v. Sheehan, 281 MICH 57 (1937)** Jan 15 2021 52

*Sheehan's Dog* Jun 07 2020 Former Irish mafia hitman Brock Sheehan lives quietly on a boat fifty miles from Cleveland. His "retirement" angered the mob boss and his former job caused the Sheehan family to disown him. But when his long-lost nephew, Linus Callahan, tracks him down and asks him for assistance, he agrees to help. A few days earlier, the nephew got into a push-and-shove bar argument with a multimillion-dollar basketball player just released from prison for running a high-level dog-fighting ring. Then the athlete is murdered, and Linus becomes the Cleveland police department's "person of interest." So while Brock Sheehan asks questions regarding the illegal dogfight community, the athlete's crazed fans subject him and his live-in girlfriend to a beating, and rapes one of his co-workers at the local animal shelter. In his travels all over NE Ohio, Brock finds himself in Youngstown where he discovers the woman he's loved all his life, Arizona Skye, who walked out on him years ago and disappeared because of his violent profession. Now she works as a TV news reporter in Youngstown and he hopes to somehow rekindle that love from ten years ago. Investigating the athlete's former dogfight ring, Brock gets most unpleasant with the remaining partner-and winds up with a pit bull of his own, which he names Conor, after an Irish saint. And eventually, with Conor's instincts, he discovers and turns over to the police the real killer of the dog-killer turned sports legend.

*The Anxiety Disease* May 19 2021 Anxiety is not always psychological but rather a disease that can now be controlled. The symptoms are devastating: sudden unprovoked attacks of anxiety-accompanied by skipping and racing of the heart, shortness of breath, lightheadedness, dizzy spells. Even worse is the fear that you are losing your mind. But here’s the good news. The more unexpected and unprovoked the attacks or the symptoms, the more likely that the victim is suffering from a biologically beset disease. What's more, medical science can now overcome this disease in virtually all cases through a combination of drugs and behavior therapy. Dr. David V. Sheenan, formerly of the Havard Medical School, is now the Director of Research of the College of Medicine at the University of South Florida in Tampa. He draws upon recent research and his own pioneering breakthroughs in the treatment of anxiety to present in this book: • Quizzes that will help you determine whether your anxiety is caused by normal stress or is the result of a genetically influenced physical disorder • Seven progressive stages of the disease—and the four steps necessary for recovery • Detailed case histories of former anxiety victims who are now leading full and productive lives • Reassurance and guidance to family members and friends who want to help, but don’t know how This book offers new hope to millions of men and women across the country.

*Dr Sheehan on Running* Jul 21 2021

**Saturn** Jul 01 2022 Saturn is the showpiece planet of our solar system. It may not be the largest, nor the smallest, nor even the only planet with rings. But it is among the most stunning objects in the sky and is always breathtaking when seen in a telescope. This is a beautifully illustrated, authoritative overview of the entire history of humankind’s fascination with the ringed planet, from the first low-resolution views by Galileo, Huygens, and other early observers with telescopes to the most recent discoveries by the spacecraft Cassini, which studied the planet at close range between 2004 and 2017. Saturn describes the planet from inside out, detailing the complicated system of rings and their interaction with Saturn’s bevy of satellites, and it considers how Saturn formed and the role it played in the early history of the solar system. Featuring the latest research and a spectacular array of images, this book will appeal to anyone who has ever gazed with wonder upon the sixth planet from the sun.

**Corey v. Sheehan, 281 MICH 57 (1937)** Apr 05 2020 52

*Be Happy (Deluxe Edition)* May 07 2020 The bestselling, inspiring book from beloved illustrator Monica Sheehan now in a gorgeous deluxe edition, for anyone seeking a dose of encouragement, humor, and joy. Pairing simple truths with charming, whimsical illustrations, Be Happy gently encourages you to rediscover life's simple pleasures that add up to a happy life -- to show up, stay inspired, live in the moment, dance, unplug...and just get a good night's sleep. A little gem of wit and wisdom, this deluxe package -- with a gorgeous red, textured cover; slightly larger trim; and brand-new spreads -- makes for an irresistible keepsake, and a meaningful gift for grads, new parents, newlyweds, or anyone starting down a new path in life.

*After Action* Aug 02 2022 By sharing his own story, the author, a third-generation military flyer who served two tours of duty in Iraq, helps his readers understand what military men and women experience on the front lines of war - and what they bring home.

**Corey v. Sheehan, 281 MICH 57 (1937)** Dec 02 2019 52

**A Bright Shining Lie** Sep 03 2022 One of the most acclaimed books of our time—the definitive Vietnam War exposé and the winner of the Pulitzer Prize and the National Book Award. When he came to Vietnam in 1962, Lieutenant Colonel John Paul Vann was the one clear-sighted participant in an enterprise riddled with arrogance and self-deception, a charismatic soldier who put his life and career on the line in an attempt to convince his superiors that the war should be fought another way. By the time he died in 1972, Vann had embraced the follies he once decried. He died believing that the war had been won. In this magisterial book, a monument of history and biography that was awarded the National Book Award and the Pulitzer Prize for Nonfiction, a renowned journalist tells the story of John Vann—the one irreplaceable American in Vietnam"—and of the tragedy that destroyed a country and squandered so much of America's young manhood and resources.

*OMG WTF Does the Constitution Actually Say?* Mar 29 2022 Do you know what the Constitution ACTUALLY says? This witty and highly relevant annotation of our founding document is the go-to guide to how our government really works (or is supposed to work). Written by

political savant and entertainment veteran, Ben Sheehan, and vetted for accuracy by experts in the field of constitutional law, *OMG WTF Does the Constitution Actually Say?* is an entertaining and accessible guide that explains what the Constitution actually lays out. With clear notes and graphics on everything from presidential powers to Supreme Court nominations to hidden loopholes, Sheehan walks us through the entire Constitution from its preamble to its final amendment (with a bonus section on the Declaration of Independence). Besides putting the Constitution in modern-day English so that it can be understood, *OMG WTF Does the Constitution Actually Say?* gives readers all of the info they need to be effective voters and citizens in the November elections and beyond.

*After the War Was Over* Oct 04 2022 A look at Hanoi and Saigon as they are today describes the effects of the Vietnam War on the two cities and their inhabitants

*The Essential Sheehan* Jan 07 2023 Runners and readers whose connections to the sport date back to the 1970s surely remember Dr. George Sheehan, the New Jersey cardiologist and writer whose unique approach to the joy of exercise helped spark America's fitness boom. As a columnist for his local Red Bank Register and later as the medical editor of *Runner's World* and through eight bestselling books, Sheehan became, through the influence of his example and writing, the spokesperson for an entire generation of runners and the manifold benefits they discovered through the running lifestyle. Sadly, several of Sheehan's books are now out of print, and the hundreds of newspaper magazine columns he penned over the last 25 years of his life have been lost to time. Until now. *The Essential Sheehan* is a collection of the best running pieces George Sheehan wrote in his lifetime, many of which ran in *Runner's World* when Sheehan was a columnist there. This collection illuminates Sheehan's lasting influence on running culture and is a reintroduction of George Sheehan to a new generation of runners and readers. **Author** Oct 24 2021 A beautiful and moving collection of photographs by Beowulf Sheehan, whose work captures the essence of 200 of our most prominent writers, historians, journalists, playwrights, and poets. Beowulf Sheehan is considered to be his generation's foremost literary portrait photographer, having made portraits of the literary luminaries of our time across the globe, from Roxane Gay to Masha Gessen, Patti Smith to Zadie Smith, Karl Ove Knausgaard to J.K. Rowling, and Jonathan Franzen to Toni Morrison. In *AUTHOR* Sheehan presents the most insightful, intimate, and revealing portraits of these artists made in his studio, in their homes, in shopping malls and concert halls, on rooftops and in parking lots, on the beach and among trees, surrounded by flowers and in clock towers. Following an enlightening foreword by Salman Rushdie, Beowulf Sheehan shares an essay offering insights in the poignant and memorable moments he experienced while making these portraits. A treasure gift for readers and lovers of portrait photography, *AUTHOR* is the only book of its kind to appear in more than a decade. *The International Politics of Space* Nov 24 2021 The year 2007 will see the 50th anniversary of the Space Age, which began with the launching of Sputnik by the Soviet Union in October 1957. Since that time, the development of space technology has revolutionised many aspects of life on Earth, from satellite television to mobile phones, the internet and micro-electronics. It has also helped to bring about a revolution in the use of military force by the most powerful states. Space is crucial to the politics of the postmodern world. It has seen competition and cooperation in the past fifty years, and is in danger of becoming a battlefield in the next fifty. *The International Politics of Space* is the first book to bring these crucial themes together and provide a clear and vital picture of how politically important space has become, and what its exploitation might mean for all our futures. Michael Sheehan analyses the space programmes of the United States, Russia, China, India and the European Space Agency, and explains how central space has become to issues of war and peace, international law, justice and international development, and cooperation between the worlds leading states. It highlights the significance of China and India's commitment to space, and explains how the theories and concepts we use to describe and explain space are fundamental to the possibility of avoiding conflict in space in the future. This ground-breaking book will be of great interest to students of international relations, space politics and security studies.

*Disappearing Act* Dec 14 2020 In his debut collection of short stories, Robert Sheehan disappears into characters, challenging the complacencies of everyday experience, often from entirely unexpected angles. Informed by the author's peripatetic life, *Disappearing Act* reflects on the absurdity of human behaviour. Sheehan delves deep into his characters' streams of self-talk and self-imposed delusions, exploring the dark impulses that lurk below the shiny surfaces of many outwardly normal lives. Dark and provocative, the collection will stay with the reader long after the book is finished. Warning: Contains Adult Content

*Undeniable* Feb 25 2022 Warning: This is not a typical, sappy love story. This is an all-consuming, soul-crushing, tear-your-heart-into-pieces story. It's intense, gritty and raw, dark and disturbing, and it doesn't happen overnight. This is an epic love story that knows no boundaries and has no time limits. It grows and develops—with hurt, sacrifice, and heartache—over the span of a lifetime. Eva Fox is the princess of the Silver Demons Motorcycle Club. Growing up with bikers in the club lifestyle is all that she knows. When she's a young girl, Eva meets the reason for her existence. Deuce West is the sexy, biker bad-ass of the Hell's Horsemen Motorcycle Club. Like Eva, he was born and raised in the club—but that's where the similarities end. Their first meeting is innocent, but as Eva matures into a woman, their chance reunions evolve into a fit of lust and love. Fate continues to bring them together time and time again, but their twisted journey is filled with pain, betrayal, and bloodshed that could tear them apart. Eva sees in Deuce what he cannot see in himself—a man worthy of love—and Eva spends her lifetime proving to him that her undeniable love is the one thing he can't live without. This is Eva and Deuce's story. It wasn't easy. Nothing worth doing ever is. And love is worth everything

*The Enlightenment Bible* Dec 26 2021 How did the Bible survive the Enlightenment? In this book, Jonathan Sheehan shows how Protestant translators and scholars in the eighteenth century transformed the Bible from a book justified by theology to one justified by culture. In doing so, the Bible was made into the cornerstone of Western heritage and invested with meaning, authority, and significance even for a secular age. *The Enlightenment Bible* offers a new history of the Bible in the century of its greatest crisis and, in turn, a new vision of this century and its effects on religion. Although the Enlightenment has long symbolized the corrosive effects of modernity on religion, Sheehan shows how the Bible survived, and even thrived in this cradle of ostensible secularization. Indeed, in eighteenth-century Protestant Europe, biblical scholarship and translation became more vigorous and culturally significant than at any time since the Reformation. From across the theological spectrum, European scholars—especially German and English—exerted tremendous energies to rejuvenate the Bible, reinterpret its meaning, and reinvest it with new authority. Poets, pedagogues, philosophers, literary critics, philologists, and historians together built a post-theological Bible, a monument for a new religious era. These literati forged the Bible into a cultural text, transforming the theological core of the Judeo-Christian tradition. In the end, the Enlightenment gave the Bible the power to endure the corrosive effects of modernity, not as a theological text but as the foundation of Western culture.

**The Pentagon Papers** Aug 10 2020 “The WikiLeaks of its day” (Time) is as relevant as ever to present-day American politics. “The most significant leaks of classified material in American history.” –The Washington Post Not Fake News! The basis for the 2018 film *The Post* by Academy Award-winning director Steven Spielberg, *The Pentagon Papers* are a series of articles, documents, and studies examining the Johnson Administration's lies to the public about the extent of US involvement in the Vietnam War, bringing to light shocking conclusions about America's true role in the conflict. Published by *The New York Times* in 1971, *The Pentagon Papers* riveted an already deeply divided nation with startling and disturbing revelations about the United States' involvement in Vietnam. *The Washington Post* called them “the most significant leaks of classified material in American history” and they remain relevant today as a reminder of the importance of a free press and First Amendment rights. *The Pentagon Papers* demonstrated that the government had systematically lied to both the public and to Congress. This incomparable, 848-page volume includes: *The Truman and Eisenhower Years: 1945-1960* by Fox Butterfield *Origins of the Insurgency in South Vietnam* by Fox Butterfield *The Kennedy Years: 1961-1963* by Hedrick Smith *The Overthrow of Ngo Dinh Diem: May-November, 1963* by Hedrick Smith *The Covert War and Tonkin Gulf: February-August, 1964* by Neil Sheehan *The Consensus to Bomb North Vietnam: August, 1964-February, 1965* by Neil Sheehan *The Launching of the Ground War: March-July, 1965* by Neil Sheehan *The Buildup: July, 1965-September, 1966* by Fox Butterfield *Secretary McNamara's Disenchantment: October, 1966-May, 1967* by Hedrick Smith *The Tet Offensive and the Turnaround* by E. W. Kenworthy *Analysis and Comment Court Records Biographies of Key Figures* With a brand-new foreword by James L. Greenfield, this edition of the Pulitzer Prize-winning story is sure to provoke discussion about free press and government deception, and shed some light on issues in the past and the present so that we can better understand and improve the future.

**The Balance of Power** Dec 06 2022 Maurice Ravel: A Research and Information Guide is an annotated bibliography concerning both the nature of primary sources related to the composer and the scope and significance of the secondary sources which deal with him, his compositions, and his influence as a composer and theorist.

**A Report of the Trial of John Jones versus Thomas Sheehan, for libel, tried in the Court of Common Pleas, on Monday, 2nd December 1839 ... With an appendix, containing the pleadings in the cause. By John Dallas Edge** Mar 05 2020 This is an action of trespass on the case for libel. The declaration contains six counts.

**Once Upon a Distant War** Aug 22 2021 *Once Upon a Distance War* tells the stories of such young Vietnam war correspondents as Neil Sheehan, Peter Arnett, and David Halberstam, providing a riveting chronicle of high adventure and brutal slapstick, gallantry and cynicism, as well as a vital addition to the history they shaped. "Prochnau . . . tells a Vietnam story we haven't heard before. . . . Complex, witty, and humane."--Tobias Wolff. of photos.

**Holmes-Sheehan Correspondence** Jun 19 2021 Oliver Wendell Holmes, Jr., distinguished American jurist, and Patrick Augustine Sheehan, an Irish clerical-savant, enjoyed a warm and notable friendship based largely on their exchange of letters from 1903, when they first met in Ireland, until 1913, the year of Sheehan's death. This correspondence illuminates what is otherwise a largely hidden and little appreciated side of the mind and faith of Justice Holmes. Sheehan was able to draw from his friend an awareness and sympathy for human frailty and its counterpoint, faith in a divine plan of earthly things, thoughts and feelings that surfaced in letters to other of his friends. The importance of this edition of the Holmes-Sheehan letters rests in the first instance on this discovery. But Canon Sheehan was no mere foil for Holmes as they discussed with equal insight issues as varied as the economic man and the age of faith, of classical works, including Dante's *Divine Comedy* and Pascal's *Pensees*. Holmes discovered in the Canon a man of the most profound faith who remained open and tolerant of the beliefs and non-beliefs of others. He is better understood because of his affection for Sheehan, and, no less telling, because of the Canon's admiration for him. Gary J. Aichele in *Oliver Wendell Holmes, Jr.: Soldier, Scholar, Judge* finds this set of letters perhaps the most unusual of any collection of Holmes correspondence published to date.

**Sheehan V. Indiana Bell Telephone Company, Inc** Jan 03 2020

**The Grace of Incorruption** May 31 2022 Professor and scholar, teacher of poets and poetry and convert to Eastern Orthodoxy, Donald Sheehan wrote these wide-ranging essays with a common commitment to understanding the ways in which the ruining oppositions of our experience can be held within the disciplines of lyric art—held “until God Himself can be seen in the ruins . . . and overwhelmingly and gratefully loved.” That is what Sheehan means by “the grace of incorruption.” Part One weaves together themes from Sheehan's life and pilgrimages; the spiritual art of Orthodox Saints Gregory of Nyssa, Isaac and Ephraim of Syria, and others; the literary art of Dostoevsky, Frost, Salinger, and contemporary poets including Jane Kenyon; and the philosophy of René Girard—examining the nature of penitence, prayer, personhood, freedom, depression, and the right relationship to the earth. Part Two delves into the poetics of *The Psalms*, especially LXX 118: a “poetics of resurrection.” “I am dead certain that my response to this volume will chime with those of others whose work is held up to the light in *The Grace of Incorruption*. In one beautiful sentence after another, we must share the uncanny sense of never having understood our own hearts—not until we saw them reflected in the great heart (and mind) of this nonpareil commentator. Don Sheehan did not merely understand poetry; it was part and parcel of his own great soul.” —Sydney Lea, Vermont Poet Laureate “This was a very difficult book for me to read, as—now and again—my own tears blinded me to the page, and my own sobbing shook the papers in my hands. That is to say that Donald Sheehan's journey—through both brokenness and beauty—to a deep and healing calm is at once personal and universal. With a poet's visionary prose, a scholar's acuity, and a pilgrim's devotion, Donald Sheehan offers his reader access to the profound, compelling stillness at the heart of all things.

He proves an exceedingly good guide along the way.”—Scott Cairns, author of *Slow Pilgrim: Collected Poems* “In this beautiful book, Dostoyevsky, Orthodox liturgy, and Holy Fathers ancient and modern converse with Shakespeare, Frost, Salinger, Jane Kenyon and René Girard, sharing insight into such realities as memory, violence, depression, stillness, self-emptying love, personhood, and ‘the anthropology of the Cross.’ This conversation, a ‘spiritual ecumenism’ effected in art, gathers finally round the heart and source of all tradition of poetry and prayer in Christian East and West alike: the Psalms of David. Orthodox Christian contributions to Anglophone poetry and poetics are few. Don Sheehan was not only a fine interpreter of poetry, but a poet himself, working in the medium of prose. The philosopher Malebranche famously wrote that ‘attentiveness is the natural prayer of the soul,’ and the Orthodox liturgy bids us continually to ‘be attentive.’ The essays in this volume capture that spirit of loving attentiveness -- never lacking in form -- for which Don ardently strove, and which characterized his approach to art, to other people, and to God.”—Fr. Matthew Baker, Fordham University

**Marriage, Family, and Law in Medieval Europe** Apr 17 2021 A collection of essays by Michael Sheehan, whose work and interpretation on medieval property, marriage, family, sexuality, and law has inspired scholars for 40 years.

**Sheehan** Feb 13 2021 SHEEHAN: HEARTBREAK AND REDEMPTION is a re-publication of the 1992 poem that inspired the Printz Honor novel STUCK IN NEUTRAL by Terry Trueman. In the second part of this e-book, based on the 2007 Xlibris edition, is an extensive interview that includes 23 photographs relating to the real life story of Truemans son Henry Sheehan, the creation of the poem, and the remarkable history of the novel STUCK IN NEUTRAL, an internationally beloved best seller. Soon this book will be updated with a new interview segment, in e-book format, available at [www.terrytrueman.com](http://www.terrytrueman.com) and other e-book distributors.

**What Does the Constitution Say?** Sep 10 2020 If you've never read the Constitution, let this guidebook help you! Featuring fun facts, cool illustrations, and even hilarious jokes, *What Does the Constitution Say?* will help you understand how our American government really works. Written more than 230 years ago, the Constitution can be hard to understand (even for adults). But it also gives you what you need to make our country the best it can be for everyone. *What Does the Constitution Say?* takes you on a tour of the whole Constitution while explaining what its fancy words really mean. From the Preamble to the 7 Articles to the 27 Amendments (so far), this fun-to-read guide is packed with bite-sized info, historic quotes, and graphics on important topics such as: Why the Constitution is a "living document" How the first attempt at a constitution (the Articles of Confederation) failed What powers the president does (and doesn't) have Key figures like James Madison, Alexander Hamilton, and George Washington A bonus section on the Declaration of Independence And much more!
