The Little Book of Big Lies Jan 12 2021 An inspiring and illuminating guide to true self care, from the sage teacher and breakout star of the critically acclaimed drama, Queen Sugar, from Executive Producers Oprah Winfrey and Ava DuVernay for OWN. Featured on Essence Magazine's Culture List In all your years of schooling, did you ever take a single class that explained how to navigate the hurt, drama, and fear that come with living? Tina Lifford sure didn't. She learned the hard way—through experience as both a Hollywood actress and as the founder of the personal development network The Inner Fitness Project. Now, she brings together her own hard-won insights as well as those of her clients in this helpful and transformative guide. A blend of personal anecdotes and meaningful, practical—and most important, actionable—advice, The Little Book of Big Lies is the life skills class you need to nurture the inner you and move beyond the past. In fourteen raw, personal stories, Tina teaches you how to change your self-perception—to see yourself in the best possible light, to love and honor what you see, and to forge a new sense of what's possible in every aspect of your life. But make no mistake, The Little Book of Big Lies is not a “rah-rah” quick fix for fear and pain. Like physical fitness, building and maintaining emotional strength requires continued effort. This invaluable book is the foundation you need to start building inner health and well-being so you can thrive. Tina guides you on a journey of self-discovery that will help you turn shame into self-acceptance, self-rejection into self-love, blame into freedom, and old hurt into power. Wise and powerful, The Little Book of Big Lies will completely change how you think and live.

The Necessary Journey Aug 07 2020 "What does a workplace utopia look like to you?" This is the question Dr. Ella F. Washington asks company leaders, and often she hears about an ideal vision of an organization that values diversity and inclusion and wants employees to bring their whole selves to work. But how can you get there? Organizations have largely missed the mark when it comes to creating environments where all employees thrive in an equal and equitable way, because they treat diversity, equity, and inclusion (DEI) as a program that gets done rather than the necessary and difficult journey it is. A truly inclusive workplace requires invention and reinvention, mistakes and humility, adaptation to a changing world, constant reflection, and sometimes significant sacrifice. The road to an inclusive workplace is a difficult one, but you can traverse it, and there's help along the way. Start here with stories of companies making the necessary journey, including Slack, PwC, Best Buy, Denny's, and many others. Hear from company leaders about their successes and failures, the times they were on the vanguard, and the moments they realized they had much more work to do. These are profiles in perseverance from people who are keen enough to recognize the need for inclusive workplaces and humble enough to know they're not there yet. Along the way, Washington provides a framework for thinking about where these companies are on their journeys and where you and your company may be too. Progress is hard won on the necessary journey to becoming an inclusive organization, but it must be won. John Lewis said it best: "You see something you want to get done, you cannot give up, and you cannot give in."

Tough Blows: A Lifelong Journey of Defying the Odds Aug 19 2021 For every tough blow, shift your focus and Get T.O.U.G.H! Be Tenacious; Seek Opportunities; Embrace Unity; Engage Groups; and Ask for Help. Wayne Magee is on a mission to empower those who have been repeatedly told, "You can't!" He has spent his life overcoming obstacles and negative labels intended to convince him that he could not lead a purposeful, fulfilled life. T.O.U.G.H Blows: A Lifelong Journey of Defying the Odds, takes readers on a miraculous expedition of Wayne's determination to overcome one tough blow after the next. At birth, he was diagnosed with cleidocranial dysplasia (CCD), which is a rare genetic skeletal disorder that affects one in one million people. As such, Wayne does not have a collarbone, teeth, and his skull development and facial growth appears larger than normal. Countless medical professionals stated that he would not live beyond two years old. With each triumphant year, doctors advised his mother that he would not fully develop physically or mentally and ultimately fail at everyday life situations. Wayne's faith in God showed him early on that failure was not an option. Wayne's story demonstrates that for every tough blow, we have an innate ability to overcome societal and medical challenges.

Working Hard, Working Poor Aug 31 2022 More than three billion people in the world live on less than two-and-a-half U.S. dollars per person per day. In this book, Gary Fields explains how the poor work, how they have improved their self-employment earning opportunities, how poor-country governments can stimulate more inclusive economic growth, and how they can be aided.

[Long Day's Journey Into Night](#) Sep 19 2021 divEugene O' Neill's autobiographical play Long Day's Journey into Night is regarded as his masterpiece and a classic of American drama. With this new edition, at last it has the critical edition that it deserves. William Davies King provides students and theater artists with an invaluable guide to the text, including an essay on historical and critical perspectives; glosses of literary allusions and quotations; notes on the performance history; an annotated bibliography; and illustrations. "This is a worthy new edition, one that I'm sure will appeal to many students and teachers. William Davies King provides a thoughtful introduction to Long Day's Journey into Night—equally sensitive to the most particular and most encompassing of the play's materials."—Marc Robinson/DIV

The Pyjama Game Feb 10 2021 It is a sport of balletic beauty and extraordinary violence - where else are you allowed to strangle an opponent unconscious? When Mark Law joined his local judo club he found himself able to observe at close quarters the sport practised at its highest level, as figures, grappled, whirled and flew through the air. His journey into judo then took him to Osaka, Japan, for the World Championships and to Athens for the Olympics. He explored the sport's origins in seventeenth-century Samurai culture and met some of the most single-minded and self-denying competitors of all time. Funny, alarming and mesmerising, The Pyjama Game is one of the best sports books of recent years. This is damn fine stuff, and will entertain and enlighten an audience far beyond the confines of the dojo' Daily Telegraph 'It's lively, it's witty and, above all, so persuasively enthusiastic you'll find yourself feeling an intense urge to try it for yourself' Mail on Sunday

Grasp the Shield Firmly the Journey is Hard Nov 21 2021 This book is a compilation of oral histories about the movement of Luo and some Bantu-speaking peoples. It includes histories of many clans or ethnic groups, and how drought, warfare, disease, and competition over pastoral resources in western Kenya forced them to look for a land that they could call their own. Highly entertaining, the stories cross over from pre-colonial to post-colonial eras, with tales of fooling the colonial officers, winning battles and producing miracles. Although warriors and chiefs play a critical part in the stories so too do unlikely actors such as women, prophets, and common farmers. As one of the elders put it, Without history you are like wild animals you need to know where you came from and who you are. People with kinship connections to the ethnic groups represented here will delight in the references to places, people, kin groups and events. Residents of western Kenya will be able to trace some of their genealogies to North Mara and vice versa. Historians and anthropologists will find in this book a rich primary source for their own research. Those interested in cultural change will find this a fascinating case of Luo assimilation: events chronicled in this book are still underway and observable in communities today. Producing the text in both Swahili and English ensures that local people will have access to these histories for their own learning and on-going discussions about the past.

The Difficult Journey Jul 30 2022 What if the world was like this? This book is about human nature. Compassion, hatred, fear, love and intense passion in every form. It is the story of a group of people, and their actions and responses to another group of people, who happen to be trying to move from point A to point B on this planet of ours, for whatever reasons. Whatever position of opinion from which you approach this story, it will not be what you expect. It wasn't what the main characters were expecting either. Buckle up for an intense journey, and leave your preconceptions at the turnstile folks. A modern tale for modern times.

After You Hear It's Cancer Jun 28 2022 After You Hear It's Cancer offers a step-by-step guide for recently diagnosed patients and their families as they embark on this arduous journey. The authors integrate cutting-edge research with the perspectives of numerous cancer patients to provide an empathic, but

pragmatic handbook that should be required reading for every cancer patient.

How Santa Claus Had a Long and Difficult Journey Delivering His Presents Nov 29 2019 Pictures without words show Santa Claus trying to get airborne after the reindeer break away from their traces.

Pearl the Raindrop May 28 2022 Join Pearl, a simple drop of water from the sea, who embarks on an exciting journey to find the answers to the water cycle process.

A Hard Journey Mar 26 2022 A Hard Journey brings to life Don West: poet, ordained Congregationalist minister, labor organizer, educator, leftist activist, and one of the most important literary and political figures in the southern Appalachians during the middle years of the twentieth century. Initially motivated by religious conviction and driven by a vision of an open, democratic, and nonracist society, West was also a passionate advocate for the region's traditional values. This biography balances his literary work with political and educational activities, placing West's poetry in the context of his fight for social justice and racial equality. James J. Lorence uses previously unexamined sources to explore West's early involvement in organizing miners and other workers for the Socialist and Communist Parties during the 1930s. In documenting West's lifetime commitment to creating a nonracist, egalitarian South, A Hard Journey furnishes the spotlight he deserves as a pioneering figure in twentieth-century Southern radicalism.

Long Hard Journey: The Story of Relativity Jan 24 2022 Long Hard Journey begins in ancient Greece where science originated 2000 years ago. From the advances made in physics since the days of philosopher/scientists like Pythagoras and Aristotle, key breakthroughs are laid out—these shed a very bright light on the postulates and laws of Einstein's theory of relativity. The scientific psyche is on display too, with the reader seeing the biting vindictiveness of a Sir Isaac Newton, the despair of the "reluctant revolutionary" Max Planck, and the utter astonishment of men like James Clerk Maxwell and Ernest Rutherford. Physics is thus shown to be high drama instead of the tedious march toward the truth that it is oft perceived to be. Grab this delightful little primer if you've never quite gotten the gist of relativity before. Take it home and partake of the drama.

R2-D2's Mission May 16 2021 Little R2-D2 is determined to get Princess Leia's message to Obi-Wan Kenobi and neither storm troopers nor Darth Vader will stop him! An action figure sits in the spine of this cool, die-cut board book, allowing young fans to play with their favorite character as they interact with the story. Full color.

On the Plain of Snakes May 04 2020 WINNER OF THE EDWARD STANFORD AWARD FOR OUTSTANDING CONTRIBUTION TO TRAVEL WRITING 2020 The master of contemporary travel writing, Paul Theroux, immerses himself in the beautiful and troubled heart of modern Mexico. Nogales is a border town caught between Mexico and the United States of America. A forty-foot steel fence runs through its center, separating the prosperous US side from the impoverished Mexican side. It is a fascinating site of tension, now more than ever, as the town fills with hopeful border crossers and the deportees who have been caught and brought back. And it is here that Paul Theroux will begin his journey into the culturally rich but troubled heart of modern Mexico. Moving through the deserts just south of the Arizona border, Theroux finds a place brimming with charm, yet visibly marked by both the US border patrol looming to the north and mounting discord from within. Attending local language and culinary schools, driving through the country and meeting its people, Paul Theroux gets under the skin of Mexico. From the writer praised for his 'curiosity and affection for humanity in all its forms' (New York Times Book Review), On the Plain of Snakes is an urgent and mesmerizing exploration of a region in conflict. Praise for Paul Theroux: 'As cool as Maugham... as observant, intuitive, wry, inventive and eloquent as Graham Greene' Sunday Times 'Theroux's work remains the standard by which other travel writing must be judged' Observer 'The world's most perceptive travel writer' Daily Mail 'One of the most accomplished and worldly-wise writers of his generation' The Times

Journey Without Maps Aug 26 2019 The British author embarks on an awe-inspiring trek through 1930s West Africa in "one of the best travel books [of the twentieth century]" (The Independent). When Graham Greene left Liverpool in 1935 for what was then an Africa unmarked by colonization, it was to leave the known transgressions of his own civilization behind for those unknown. First by cargo ship, then by train and truck through Sierra Leone, and finally on foot, Greene embarked on a dangerous and unpredictable 350-mile, four-week trek through Liberia with his cousin, and a handful of servants and bearers, into a world where few had ever seen a white man. For Greene, this odyssey became as much a trip into the primitive interiors of the writer himself as it was a physical journey into a land foreign to his experience. "No one who reads this book will question the value of Greene's experiment, or emerge unshaken by the penetration, the richness, the integrity of this moving record." —The Guardian

Hard Passage Jul 06 2020 Having struggled through World War I, the Communist Revolution, a civil war, and widespread famine, the Kroegers uproot their five children and leave behind their home and community for a foreign land. A social history of Mennonite immigrants to the Canadian West.

The Untethered Soul (EasyRead Super Large 18pt Edition) Dec 31 2019 The chapters of this book are nothing but mirrors for seeing your "self" from different angles. And though the journey we are about to embark on is an inner one, it will draw upon every aspect of your life. The only requirement asked of you is the willingness to honestly look at yourself in the most natural, intuitive manner. Remember, if we are seeking the root of "self," what we are actually seeking is you. As you read through these pages, you will find that you know much more than you thought you did about some very deep subjects. The fact is, you already know how to find yourself; you have just gotten distracted and disoriented. Once refocused, you will realize that you not only have the ability to find yourself, you have the ability to free yourself. Whether you choose to do so or not is entirely up to you. But upon completion of your journey through these chapters, there will be no more confusion, no more lack of empowerment, and no more blaming others. You will know exactly what must be done. And should you choose to devote yourself to the ongoing journey of self-realization, you will develop a tremendous sense of respect for who you really are. It is only then that you will come to appreciate the full depth of meaning in the advice: "This above all: to thine own self be true." ---- Introduction

Wouldn't Take Nothing for My Journey Now Jan 30 2020 Maya Angelou, one of the best-loved authors of our time shares the wisdom of a remarkable life in this bestselling spiritual classic. This is Maya Angelou talking from the heart, down to earth and real, but also inspiring. This is a book to be treasured, a book about being in all ways a woman, about living well, about the power of the word, and about the power of spirituality to move and shape your life. Passionate, lively, and lyrical, Maya Angelou's latest unforgettable work offers a gem of truth on every page. Maya Angelou speaks out... On Faith: "I'm taken aback when people walk up to me and tell me they are Christians. My first response is the question 'Already?' It seems to me a lifelong endeavor to try to live the life of a Christian. It is in the search itself that one finds ecstasy." On Racism: "It is time for parents to teach young people early on that in diversity there is beauty and there is strength. We all should know that diversity makes for a rich tapestry, and we must understand that all the threads of the tapestry are equal in value no matter their color." On Taking Time for Ourselves: "Each person deserves a day away in which no problems are confronted, no solutions searched for. Each of us needs to withdraw from the cares which will not withdraw from us. A day away acts as a spring tonic. It can dispel rancor, transform indecision, and renew the spirit." On Death and Grieving: "When I sense myself filling with rage at the absence of a beloved, I try as soon as possible to remember that my concerns should be focused on what I can learn from my departed love. What legacy was left which can help me in the art of living a good life?" On Style: "Style is as unique and nontransferable and perfectly personal as a fingerprint. It is wise to take the time to develop one's own way of being, increasing those things one does well and eliminating the elements in one's character which can hinder and diminish the good personality."

Ed Sheeran: A Visual Journey Jun 16 2021 Ed Sheeran is the soulful singer-songwriter from England who has captivated American audiences. With words by Ed Sheeran and illustrations by his childhood friend, artist Phillip Butah (who produces artwork for Sheeran's albums and singles), and accompanying photos, Ed Sheeran: A Visual Journey is an exclusive, fully authorized, first-person account by Ed of how he became an internationally renowned singer-songwriter. In the book, Ed explores his early musical experiences and influences as well as his time recording and touring, right up to the release of his second album, 'x'. The book reveals what drives and inspires Ed as he continues to evolve as an artist, while coping with stratospheric success. With close to 100 photographs and illustrations this is a book that all Ed Sheeran fans would love to own and cherish.

Journey to the Heart Oct 21 2021 Journey to the Heart by New York Times bestselling author of Codependent No More, Beyond Codependency, and Lessons of Love, contains 365 insightful daily meditations that inspire readers to unlock their personal creativity and discover their divine purposes in life. "Melody Beattie gives you the tools to discover the magnificence and splendor of your being." —Deepak Chopra, author of Jesus and Buddha

The Fire's Journey Jun 04 2020 Poetry. Drama. Latinx Studies. Translated from the Spanish by Keith Ekiss, Sonia P. Ticas, and Mauricio Espinoza. After the chaos of the first two volumes of THE FIRE'S JOURNEY, where the world was formless and void yet teeming with the shape of life to come, and Ion the poet-hero took mortal form to battle the Void, in Part III we begin to encounter a landscape that looks more like the one we know today. Ion has entered the world. A much-neglected masterpiece of 20th-century Latin American poetry, THE FIRE'S JOURNEY will be published by Tavern Books in an English translation for the first time across four volumes.

Death Is Hard Work Mar 14 2021 FINALIST FOR THE NATIONAL BOOK AWARD FOR TRANSLATED LITERATURE A dogged, absurd quest through the nightmare of the Syrian civil war Khaled Khalifa's Death Is Hard Work is the new novel from the greatest chronicler of Syria's ongoing and catastrophic civil war: a tale of

three ordinary people facing down the stuff of nightmares armed with little more than simple determination. Abdel Latif, an old man from the Aleppo region, dies peacefully in a hospital bed in Damascus. His final wish, conveyed to his youngest son, Bolbol, is to be buried in the family plot in their ancestral village of Anabiya. Though Abdel was hardly an ideal father, and though Bolbol is estranged from his siblings, this conscientious son persuades his older brother Hussein and his sister Fatima to accompany him and the body to Anabiya, which is—after all—only a two-hour drive from Damascus. There's only one problem: Their country is a war zone. With the landscape of their childhood now a labyrinth of competing armies whose actions are at once arbitrary and lethal, the siblings' decision to set aside their differences and honor their father's request quickly balloons from a minor commitment into an epic and life-threatening quest. Syria, however, is no longer a place for heroes, and the decisions the family must make along the way—as they find themselves captured and recaptured, interrogated, imprisoned, and bombed—will prove to have enormous consequences for all of them.

Journey Puzzles Mar 02 2020 Journey Puzzles: 90 Hard Sudoku Puzzles (Volume 1) Journey Puzzles: 90 Hard Sudoku Puzzles contains sudoku puzzles that are fun and great for a healthy mind. The Greater Journey Nov 09 2020 The #1 bestseller that tells the remarkable story of the generations of American artists, writers, and doctors who traveled to Paris, the intellectual, scientific, and artistic capital of the western world, fell in love with the city and its people, and changed America through what they learned, told by America's master historian, David McCullough. Not all pioneers went west. In *The Greater Journey*, David McCullough tells the enthralling, inspiring—and until now, untold—story of the adventurous American artists, writers, doctors, politicians, and others who set off for Paris in the years between 1830 and 1900, hungry to learn and to excel in their work. What they achieved would profoundly alter American history. Elizabeth Blackwell, the first female doctor in America, was one of this intrepid band. Another was Charles Sumner, whose encounters with black students at the Sorbonne inspired him to become the most powerful voice for abolition in the US Senate. Friends James Fenimore Cooper and Samuel F. B. Morse worked unrelentingly every day in Paris, Morse not only painting what would be his masterpiece, but also bringing home his momentous idea for the telegraph. Harriet Beecher Stowe traveled to Paris to escape the controversy generated by her book, *Uncle Tom's Cabin*. Three of the greatest American artists ever—sculptor Augustus Saint-Gaudens, painters Mary Cassatt and John Singer Sargent—flourished in Paris, inspired by French masters. Almost forgotten today, the heroic American ambassador Elihu Washburne bravely remained at his post through the Franco-Prussian War, the long Siege of Paris, and the nightmare of the Commune. His vivid diary account of the starvation and suffering endured by the people of Paris is published here for the first time. Telling their stories with power and intimacy, McCullough brings us into the lives of remarkable men and women who, in Saint-Gaudens' phrase, longed “to soar into the blue.”

How to Care for a Terminally Ill Loved One Oct 28 2019 Caring for a terminally ill loved one is such a difficult journey, especially when your loved one has been diagnosed with a long-term disease. How do you navigate the caring and decision making that will be needed? How does being a Christian help you in taking this journey? The reward of caregiving is so worth it. It can be one of the highest acts of worship that can be humanly achieved. When you care for someone who is terminally ill, especially a loved one, you are serving God in a very special way. Read about the journey, the challenges and the reliance on God's strength to see it through to the end. How is it possible to care for a loved one for thousands of days in a row? How is it possible to survive? How is it possible to become a better Christian? See how God's divine intervention was noticed and how His miracles were counted. This book is about the caregiving journey, why tragedies occur and also provides help for dealing with the challenges that may come. It's a reflection on how this kind of caretaking should be more frequently encouraged and celebrated in our society, rather than just celebrating wealth and careers. Brace yourself to experience this life changing true story.

Work Hard, Be Hard Oct 01 2022 This book explores the ideological contexts for the creation and spread of “No Excuses” charter schools. In so doing, *Work Hard, Be Hard* focuses closely on the Knowledge Is Power Program (KIPP) charter school chain as the most prominent exemplar for total compliance “No Excuses” schooling. By way of in-depth interviews, former teachers offer accounts of their “No Excuses” teaching experiences that have not been heard before and that are not likely to be forgotten soon. *Work Hard, Be Hard* also examines the KIPP organization as a manifestation of modern education reform exemplified in the convergence of neoliberal politics and the aggressive activities of the business and philanthropic communities. As an important corollary to the total compliance charter phenomenon, the book explores, too, the role of Teach for America in supplying the needed manpower and values components required to deal with very high levels of teacher attrition in these schools. *Work Hard, Be Hard* goes beyond accounts offered in news features, articles, and interviews that focus on “No Excuses” charters' high test scores and expanded college opportunities for economically disadvantaged children. In short, the book offers a naturalistic antidote to the high profile gloss that mass media provides for “No Excuses” schooling. *Work Hard, Be Hard* examines new developments in “No Excuses” schooling that focus on psychological interventions aimed to alter children's neurological and behavioral schemas in order to affect socio-cultural values and behaviors. Fraught with potential for abuse and misapplication by minimally trained teachers, these cult-like practices are examined and contrasted with more humane strategies that hope to reawaken the virtues of teaching and learning within the expansive confines of the sciences and arts of a truly humane pedagogy. This book will: Function as a common reader for parent groups or individuals interested in understanding the inner workings and impacts of “no excuses” charter schools; Serve as a text for education students for courses in pedagogy, social and cultural foundations of education, education policy, and politics of education; Provide deeper appreciation of social, political, and economic issues and incentives associated with total compliance charter schools; Help to ameliorate an absence of teacher perspectives on teaching in “No Excuses” charter schools; Assist the general public in understanding the ideological and economic agendas that drive support of total compliance charter schools; Help to educate policy makers and their staffs in cultural and economic facets of corporate education reform that are relevant to political decisions regarding education policy.

How to Heal from Trauma Even when It's Hard Sep 27 2019 Many people feel lost and inadequate because of past mistakes and the trauma that comes with it. It becomes hard, if not impossible for them to find the good in a devastating experience. This book encourages you to tell your story, help others find themselves and remind them that healing is a long journey. START YOUR HEALING JOURNEY NOW! GET YOUR COPY NOW!

When Nobody Was Watching Jul 18 2021 A NEW YORK TIMES BESTSELLER. From the superstar who is going to Tokyo for her fourth Olympics—the oldest player the US women's national team has ever sent. “If you are a real soccer player—then this is the book for you to read. . . Inspiring and uplifting.” —GoalNation In 2015, the US Women's National Soccer Team won its first FIFA championship in sixteen years, culminating in an epic final game that electrified soccer fans around the world. It featured a gutsy, brilliant performance by team captain and midfielder Carli Lloyd, who made history that day, scoring a hat trick during the first sixteen minutes. But there was a time when Carli almost quit the sport. In 2003 she was struggling, her soccer career at a crossroads. Then she found a trusted trainer, James Galanis, who saw in Carli a player with raw talent, skill, and a great dedication to the game. Together they set to work, training day and night, fighting, grinding it out. Despite all the naysayers, the times she was benched, the moments when her self-confidence took a nosedive, she succeeded in becoming one of the best players in the world and bound for the Summer Games in 2021 at thirty-nine.

The Hard Journey Feb 22 2022 An analysis of the hero's descent into the underworld and his possible ascent afterwards, as seen in contemporary literature. **Enrique's Journey Dec 11 2020** Documents the journey of a Honduran teen who braved hardship and peril to reunite with his mother after she was forced to leave him behind and seek migratory work in the United States.

A HARD JOURNEY TO JUSTICE Dec 23 2021 First Term Report by the Presidential Truth Commission on Suspicious Deaths of the Republic of Korea

The Hard Journey to Success Apr 26 2022 This book is written from the life experiences and wisdom of Princess Zanele Nkosi. 'The Hard Journey to Success' is a compelling and inspirational account of the author's rise from poverty and Apartheid in South Africa to her unconventional yet esteemed transition into a trained Professional Nurse. However, a formidable fighter with a passion for not letting her start in life define her. Zanele not only broke from poverty's tight-gripped shackles but she graduated as a nurse in South Africa now currently working in the UK. In 'The Hard Journey to Success', her life story is laid bare for the first time.

Falling Hard Dec 03 2022 A founding editor of *The First Post* recounts his impulsive decision to take up judo when he turned fifty, an activity he came to love and admire in spite of grueling training sessions, in an account that also describes his research into judo history and his attendance at matches between famous competitors. Original.

Difficult Gifts Apr 02 2020 When Courtney, a young American physician studying medicine in Thailand, began to experience unexplainable neurological symptoms, the last thing she expected was to diagnose herself with a malignant brain tumor. *Difficult Gifts* is an honest, intimate, and liberating memoir written by a physician who becomes a patient. At first filled with sadness, she learns she can also find joy. Facing mortality before the age of thirty, she finds

courage rather than fear. Through it all, she shares how to embrace the life we have been given. With daring honesty, this new writer teaches us the value of a difficult gift: a gift that teaches us, motivates us, changes us, and inspires us. Using lessons learned as a physician, a patient, an avid reader, and a student of Buddhist wisdom, Courtney shares how sometimes, suffering can open a door to happiness, and through dying, we can learn to fully live.

Tough Nov 02 2022 From Brooklyn Nine-Nine star Terry Crews, the deeply personal story of his lifelong obsession with strength—and how, after looking for it in all the wrong places, he finally found it Terry Crews spent decades cultivating his bodybuilder physique and bravado. On the outside, he seemed invincible: he escaped his abusive father, went pro in the NFL, and broke into the glamorous world of Hollywood. But his fixation with appearing outwardly tough eventually turned into an exhausting performance in which repressing his emotions let them get the better of him—leading him into addiction and threatening the most important relationships in his life. Now Crews is sharing the raw, never-before-told story of his quest to find the true meaning of toughness. In Tough, he examines arenas of life where he desperately sought control—masculinity, shame, sex, experiences with racism, and relationships—and recounts the setbacks and victories he faced while uprooting deeply ingrained toxic masculinity and finally confronting his insecurities, painful memories, and limiting beliefs. The result is not only the gripping story of a man's struggle against himself and how he finally got his mind right, but a bold indictment of the cultural norms and taboos that ask men to be outwardly tough while leaving them inwardly weak. With Tough, Crews's journey of transformation offers a model for anyone who considers themselves a "tough guy" but feels unfulfilled; anyone struggling with procrastination or self-sabotage; and anyone ready to achieve true, lasting self-mastery.

Namaste the Hard Way Sep 07 2020 My mother used to chant in Sanskrit in her study before sunrise every morning. Though she died when I was 16—22 years ago—I always hear her voice that way. Off-key, but strangely hypnotic, the language both complicated and pure, reverberating around our house. For a kid growing up in Southern Ohio — Bible belt country — the sound was both alluring and repellent. "What's your mother doing?" my friends would ask. "Being a weirdo," I told them. And so encapsulates the coming of age story of Sasha Brown, a transplanted tween plunked in the middle of the Bible Belt with a macrobiotic hippy mom and a ribs-eating dad. A writer whose work has appeared in The New York Times, Redbook, and Cosmopolitan, Brown's prose is heartfelt and hilarious, revealing her quest to find her way as two worlds collide. While other moms were at Bible study, her mom was studying Sanskrit; while other were finding friendship at Tupperware parties, her mom was finding enlightenment at the ashram. And when her mother was diagnosed with breast cancer, she chose a healthy diet and yoga over aggressive chemo. When her mother died, Brown ran as far away from yoga as she could until a running injury left her needing the very thing she was running from. It was there—on the mat—that she processed her grief and found her mother again. As she went deeper into the poses, she discovered she was more like her mother than she thought. Through it all, she found a deeper understanding of the practice, of the breath, and of the life her mother lost too young. The practice that once seemed easy and slow compared to pounding the pavement in a new pair of Asics became the biggest challenge of her life. She learned that yoga is so much more than asana. So much more than breath. So much more than perfect poses. The "union" of yoga became one of heart and mind, and finally, with that maternal energy Sasha had been missing for so many years. In the space that she focused her mind and pushed her body to its breaking point was where she would see her mother. In the space of her yoga mat, she and her mother connect across time. Namaste the Hard Way is an ode to the timeless bond between mothers and daughters. Plucky and poignant, Namaste the Hard Way is for anyone who didn't want to walk in their mother's shoes (or sandals).

Hard Journey of the Heart Jan 04 2023 Jesse, a Southern California guy, is a wide-eyed dreamer who 's in love with love. His huge and hungry heart is always in pursuit of romance. After many years of amorous adventures, missteps, and heartbreaks, Jesse has finally found happiness with the patient and nurturing Diego. But Jesse remains haunted by memories of intense past relationships, both at home and in Mexico: Carlos, Agustin, Alexis, Santiago, Andres, and Ulises. Jesse loved them all, some passionately, some unwisely—until each relationship self-destructed. But in Jesse 's memory, none of these men can overshadow his first love: Dani, a friend from boyhood. Hard Journey of the Heart: Jesse 's Story chronicles one man 's complicated life, nagging self-doubts, and his fervent search for lasting happiness, told in uninhibited detail. Along the way, Jesse has hedonistic vacation getaways, marked by delirious and dangerous encounters with many beautiful and impulsive men. It 's a pathway that is exciting, often frustrating, but ultimately rewarding. Despite the many ups and downs, Jesse receives unconditional love and life lessons from his supportive parents, friends, and an eccentric older mentor named Bill. An epic romance novel written with merciless but open-hearted honesty, Hard Journey of the Heart: Jesse 's Story will ring true for anyone who believes in everlasting love—and has been brave enough to search it out.

Enrique's Journey Apr 14 2021 An astonishing story that puts a human face on the ongoing debate about immigration reform in the United States, now updated with a new Epilogue and Afterword, photos of Enrique and his family, an author interview, and more—the definitive edition of a classic of contemporary America Based on the Los Angeles Times newspaper series that won two Pulitzer Prizes, one for feature writing and another for feature photography, this page-turner about the power of family is a popular text in classrooms and a touchstone for communities across the country to engage in meaningful discussions about this essential American subject. Enrique 's Journey recounts the unforgettable quest of a Honduran boy looking for his mother, eleven years after she is forced to leave her starving family to find work in the United States. Braving unimaginable peril, often clinging to the sides and tops of freight trains, Enrique travels through hostile worlds full of thugs, bandits, and corrupt cops. But he pushes forward, relying on his wit, courage, hope, and the kindness of strangers. As Isabel Allende writes: "This is a twenty-first-century Odyssey. If you are going to read only one nonfiction book this year, it has to be this one." Praise for Enrique 's Journey "Magnificent . . . Enrique 's Journey is about love. It 's about family. It 's about home." —The Washington Post Book World "[A] searing report from the immigration frontlines . . . as harrowing as it is heartbreaking." —People (four stars) "Stunning . . . As an adventure narrative alone, Enrique 's Journey is a worthy read. . . . Nazario 's impressive piece of reporting [turns] the current immigration controversy from a political story into a personal one." —Entertainment Weekly "Gripping and harrowing . . . a story begging to be told." —The Christian Science Monitor "[A] prodigious feat of reporting . . . [Sonia Nazario is] amazingly thorough and intrepid." —Newsday

Hollywood the Hard Way Oct 09 2020 Relates the dangers and adventures of a 20-year-old cowboy's fifty-day journey from Guthrie, Oklahoma, to Hollywood on a Osage Indian pony, carrying only a Colt revolver and a few belongings.
