Tintin
Feb 10 2021 Explores the sources in real life of all the Tintin adventures, from the characters to the scenes.
Tintin
Apr 02 2020 An updated edition just in time for Steven Spielberg's animated film The Adventures of Tintin
December 23, 2011, produced by Peter Jackson and starring Daniel Craig, Simon Pegg, and Jamie Bell as Tintin. The silhouette of Tintin—a young man wearing golf pants, running with a white fox terrier by his side—is easily one of the most recognizable visual icons of the modern world. In fact Tintin is nine years older than Superman and 10 years older than Batman, having first appeared in Belgium in 1929. This fully revised and expanded edition of this popular pocket-reference book offers a comprehensive and critical overview of the Tintin series. Starting with the character's history in the children's supplement of a Belgian Catholic newspaper, the authors track Tintin's development and success over the decades, including the stormy World War II years. Each book is analyzed in detail, both in the context of the comic and in its larger framework: that of the comic's medium and of society in general. The authors also look at the mass media that has developed around the figure of Tintin, the trivia, the anecdotes, the movies and television series, and the Tintin spin-offs.

Blake & Mortimer - Volume 17 - The Secret of the Swordfish
Nov 19 2020 The captain and the professor have finally made it to the secret base with the Swordfish blueprints, and construction has begun on the extraordinary machines. On his last word, though, and he is ready to take tremendous risks to locate the world's last bastion of resistance. The race against time is on between Imperial forces on one side and Mortimer's teams of engineers on the other... The fate of civilisation is at stake.

Le Sceptre d'Ottokar
Apr 26 2022 Le Sceptre d'Ottokar(1939) est un coup de force d'Hergé qui vise l'Allemagne dans une aventure. La découverte d'une serviette oubliée sur un banc conduit Tintin à Prague, puis en Syldavie. Tintin va sauver la Syldavie et le Royaume d'un coup d'État fasciste.

L'Étoile mystérieuse
May 16 2021 À bord d'un navire polaire dont le capitaine Haddock assure le commandement, Tintin et quelques savants européens partent pour l'océan Arctique, où s'est écrasé un aéroïte contenant un métal inconnu. Lorsqu'ils apprennent qu'un autre navire fait également route vers l'étrange météorite, leur expédition se transforme en véritable course contre la montre.

Sadly, the tale was never completed, but this unique book gives an insight into the work Hergé had done on the book before he died. On a marché sur la Lune Sep 19 2021 L'expédition lunaire de nos héros est pleine de rebondissements et de surprises. Exemples marquants : l'arrivée des Dupondt, embarqués malgré eux dans le voyage vers notre satellite naturel, et la mort funeste de Frank Wolff. Sur le plan scientifique, Hergé réussit pleinement à nous faire goûter les mystères du monde atomique ou des phénomènes d'apesanteur. De la même manière, il invite le lecteur à participer au pilotage d'une mission interplanétaire tout en nous faisant voyager dans le monde spatial.

Coke en stock Jan 16 2021 L'incrédulité du capitaine Haddock n'y changera rien. Le trafic d'êtres humains, cela existait encore au vingtième siècle. Au vingt-et-unième aussi, hélas. Coke en stock met en lumière les pratiques scandaleuses des esclavagistes des temps modernes.

Tintin et l'Alph-Art Dec 03 2022 Resté inachevé à la mort d'Hergé, en 1983, Tintin et l'Alph-Art devait décrire les membres de sectes, et amener Tintin à s'immiscer dans un monde qu'affectionnait Georges Remi, dit Hergé : celui de l'art contemporain, celui de l'avant-garde... Si cet album posthume ne peut qu'évoquer la trame de ce récit suspendu, la revanche le témoignage de l'état pur de l'extraordinaire talent narratif et graphique du père de Tintin. Comme ce monde comme Tintin, nous aussi, lecteurs, nous restons magiquement suspendus à la plume d'Hergé.

Tintin and Alph-Art Jul 18 2021 This book is a pastiche by Y. Rodier, in homage to Hergé's last album."The twenty adventure of Tintin, 'Tintin and Alph-Art', was left unfinished at the time of Hergé's death on the 3rd of March, then, several artists have tried their hand at finishing this ultimate adventure of Tintin. Presented here is the version by Yves Rodier, a Canadian artist, in an English translation by Richard Wainman. The intention, when creating this translation, was to remain as faithful to the original as possible, and therefore. new place names and characters have not been anglicised. This practice, which was carried out by the English translators, Leslie Lonsdale-Cooper and John Tumer for the books in the established canon, has not been used here."
