How to Be a Vampire Apr 16 2021 Welcome to the world of the undead! A comprehensive guide to the vampire lifestyle satisfies newcomers' thirst for lore and provides tasteful tips. For those who join the decadent realm of the vampire, eternal life holds juicy perks — charm and strength, shape-shifting and flying, telepathy and super-powered senses. But then again, one becomes . . . so terribly hungry. Is there an etiquette for feeding without causing a scene? How do you set up your crypt? What supernatural foes will make your blood run colder? In this elegant, edgy resource, the newly immortal will find everything they need to know, including: * a quiz to determine your true vampire persona * ways to turn into a vampire — or when a kiss is not just a kiss and why you should take a look at your family tree * a transformation checklist, including canine teeth and UV sensitivity * a makeup and fashion guide to looking damned good (or just damned) * knowing your weaknesses, from garlic, stakes, and sunlight to an obsession with counting * ten signs that your boyfriend is a vampire, including super coolness (body temperature-wise) and a habit of sleeping in * a field guide to vampiric variations around the world and through history

Getting What You Want Jan 26 2022 In this delightful, heartwarming novel, Kathy Love introduces the Stepp sisters, three women whose lives are about to take a turn for the wild, the unpredictable, and the absolutely enchanting. . . Meet Abby. Note To Self: Remind me to have my head examined. What exactly possessed me to come home to Millbrook, Maine, where nothing changes but the weather? Oh, right. A six-month grant to do genetics research at Rand laboratories. What can I say--I'm a smart girl. And smart girls get what they need and get out again. Smart girls don't dream, they settle. And smart girls do not get completely tongue-tied while holding a basket of fried clams when they bump into the most gorgeous man they haven't seen in fifteen years: Chase Jordan. Remind me to have my hormones removed. Chase Jordan. Town bad boy. Rebel with a cause to show up in my dreams unannounced. Oh boy, this is not good. Not smart. It's like high school all over again. But in a good way. A heart-thumping way. An I-have-no-idea-what's-going-to-happen way. A way that's making me feel like maybe settling for what I have isn't so smart. . .but really going after what I want is the craziest thing I may ever do. . .

Half Blood Vampire Series: Volume 1 Mar 04 2020 The first two Half-Blood vampire novels-now in one volume. Braced to Bite: Colby Blanchard had it all until she gets bit. Some random vamp gets his fangs into her and suddenly she's a half-blood vampire. She's given one week to justify her existence, or be "relieved her of her undead status." With some unlikely allies-including a vampire who would be really hot if he didn't want her dead-Colby must choose between saving just herself or helping all half-bloods like her. Fangs for Freaks: Protector Colby Blanchard may have saved all the half-blood vampires and set them up in a sorority house on campus, but that doesn't mean they are grateful or suited for communal living. When one of them shows up dead, Colby must face the fact that not every girl is who they say they are...especially when one might be a full blood vampire who wants the other half-bloods dead.

The Tooth Book Oct 30 2019 Every child studies dental care in school and this lively picture book makes learning how to care for your teeth fun. Taking good care of your teeth and gums is an important part of maintaining overall health. After all, you need your pearly whites to eat, smile, and talk. But what should

you expect when you go to the dentist? What should you do if you lose a tooth? Full of straightforward advice and animated, colorful art, as well as some bite-sized bits of history and lore, this guide provides accessible information about taking care of your teeth. The much-needed dental advice in this book is both timely and accessible to today's children. The "Monster Health Book", companion title to "The Tooth Book", was named a Bank Street Best Children's Book of the Year and earned shining reviews.

What Teeth Reveal about Human Evolution Jun 06 2020 Explores the insights that fossil hominin teeth provide about human evolution, linking findings with current debates in palaeoanthropology.

Tooth by Tooth Sep 02 2022 What animal would you be if a few of your teeth grew so long that they stuck out of your mouth even when it was closed? What would you be if your top canine teeth grew almost all the way down to your feet? This picture book will keep you guessing as you read about how human teeth are like—and unlike—those of other animals.

Nice Girls Don't Have Fangs Aug 01 2022 Maybe it was the Shenanigans gift certificate that put her over the edge. When children's librarian and self-professed nice girl Jane Jameson is fired by her beastly boss and handed twenty-five dollars in potato skins instead of a severance check, she goes on a bender that's sure to become Half Moon Hollow legend. On her way home, she's mistaken for a deer, shot, and left for dead. And thanks to the mysterious stranger she met while chugging neon-colored cocktails, she wakes up with a decidedly unladylike thirst for blood. Jane is now the latest recipient of a gift basket from the Newly Undead Welcoming Committee, and her life-after-lifestyle is taking some getting used to. Her recently deceased favorite aunt is now her ghostly roommate. She has to fake breathing and endure daytime hours to avoid coming out of the coffin to her family. She's forced to forgo her favorite down-home Southern cooking for bags of O negative. Her relationship with her sexy, mercurial vampire sire keeps running hot and cold. And if all that wasn't enough, it looks like someone in Half Moon Hollow is trying to frame her for a series of vampire murders. What's a nice undead girl to do?

The Ashgate Research Companion to Monsters and the Monstrous Jun 18 2021 The field of monster studies has grown significantly over the past few years and this companion provides a comprehensive guide to the study of monsters and the monstrous from historical, regional and thematic perspectives. The collection reflects the truly multi-disciplinary nature of monster studies, bringing in scholars from literature, art history, religious studies, history, classics, and cultural and media studies. The companion will offer scholars and graduate students the first comprehensive and authoritative review of this emergent field.

What If You Had Animal Teeth? Sep 09 2020 Describes the characteristics of different animals' teeth, including beavers, camels, Bengal tigers, and narwhals.

Truth or Demon Dec 25 2021 Hot? Hell, Yeah. If you ask Killian O'Brien, Hell gets a bad rap. True, he's a demon, so he's bound to be a little biased. But he's got great job security, all the women he can handle, a body to die for--literally--and free reign to do as he likes. Or he did, until teenager Daisy Reed and her two friends got hold of a book of spells and summoned him to do their bidding. Their demand: find Daisy's older sister, Poppy, a boyfriend. Can't be that difficult, right? It's not like the woman is unattractive. Truth be told, Poppy is irresistible--and mind-blowingly sexy. Which is exactly why finishing this simple little assignment so he can be sent back where he came from is turning out to be the hardest thing Killian's ever done. . . . Praise for the novels of Kathy Love ". . . a compelling concoction of dread, desire, and delight." --Erin McCarthy on What a Demon Wants "Fangs for the Memories will make you laugh until milk comes out of your nose. No, really." --MaryJanice Davidson

Fangs For The Memories Nov 04 2022 Oh, Brother! I'm watching my brother swagger through our New York City apartment. . . smiling. Rhys, the detached, surly man who turned brooding into an art form. But he's not brooding now. No, he's practically threatening to pistol whip me for shaking hands with the beautiful, half-dressed creature named Jane who just tried to sneak out of his bedroom. Weird. Brother Grim has a sex drive? That's not all that has me freaked out. Something terrible happened last night, something that made Rhys break his own rule and save the life of a mortal. Trouble is he doesn't remember anything from the past two hundred years. Like that he's a vampire, not a Regency viscount with an English accent. All I know is this mortal woman has managed to touch my brother's frozen heart, and I, Sebastian Young, will do whatever it takes to help him keep her. . .

Spiders Have Fangs Mar 16 2021 Gives lots of facts about arachnids, especially spiders, such as how they make webs, hunt, communicate, look after their young, and defend themselves.

I Want You To Want Me Feb 12 2021 Destiny May Not Be Set In Stone, But At Least He's As Hard As A Rock Erika Todd moved to New Orleans because she needed a change--and, well, yes, because that's

what the fortune teller said she would do. Not that she'd admit that to many people. But so many of the psychic's predictions--about her work, even finding that stray black cat--have already come true. Now all the lonely sculptor needs is to meet and fall in love with the prophesized dark-eyed prince. . . . Reclusive musician Vittorio Ridgewood has a new neighbor he's been trying to avoid. Sure, she's gorgeous, but she's coming on strong, and the last thing the 200-year-old vampire needs is to get involved with another mortal. Especially since several of his former human paramours have lately been turning up dead. . . . Sensing the relentless beauty needs someone to watch over her, Vittorio agrees to sit for a sculpture, and their attraction to one another quickly ignites. But is passion even this hot worth dying for?

Kissing with Fangs Dec 01 2019 There's Something He's Never Told Her... When her workplace burned down, Claudia should've taken it as a sign to move on—and not just professionally. She's been secretly lusting after her mysterious boss, Anthony Cross, for years. There's no way she should agree to help him rebuild if she wants to keep her heart intact, and yet it's impossible to stay away... The flames that destroyed Anthony Cross's beloved bar are nothing compared to the heat he feels every time he lays eyes on Claudia. But he can't have her—it's against paranormal law for a vampire to date a human. Besides, he has some dangerous enemies, and one in particular already has her sights on Claudia. He owes her the truth—both about his feelings and his vampire nature—which means their lives are about to get hotter than ever. Flirting with Fangs Series Flirting Under a Full Moon (Book 1) How to Date a Dragon (Book 2) Kissing with Fangs (Book 3) Praise for Ashlyn Chase: "Original and full of laughs, steamy sex, and madcap mayhem."-Night Owl Romance Reviews "Hot sex scenes and a breezy tone with a nice, happily-ever-after ending makes...a fun read."-Booklist

I Love My Fangs! Jul 20 2021 Is a vampire still a vampire if his fang is all wobbly? Find out in this funny and endearing spin on the classic first lost tooth story. Young Dracula loves his fangs. They are pointy. They are sharp! They are a cherished family trait. So one day, when a fang wiggles...and jiggles...and falls loose, Dracula doesn't know what to do. He tries pushing it back in. Then taping it. Then sticking it. Because a vampire can't have only one fang!...Right?

Fangs for Having Us! Dec 13 2020 Magic School Bus meets The Magic Tree House in this third installment of a school-based chapter book series by bestselling author Nancy Krulik. When their teacher takes them to Romania, will this class be able to tangle with vampires? Ms. Frogbottom's class is on a field trip to Romania where a visit to Dracula's castle brings them face to fang with vampires, garlic, bats, and—yikes!—could it be the legendary count himself? Bestselling and beloved author Nancy Krulik ingeniously approaches geography in a new way, as the kids learn about the places they visit while fighting, fleeing, or in some cases rescuing monsters.

Amazing Animal Teeth Sep 21 2021 Looks at the teeth of several animals that have adapted to their environments, from the fangs of venomous snakes to the continuously growing teeth of a hamster.

Do Snakes Have Fangs? May 06 2020 This series has all the age-old questions kids always ask, as well as some new ones. The fun questions are clearly answered and illustrations help explain things further. Specially designed parent panels give tips on further learning, and a fun quiz at the back tests children on what they have read.

Fangs for Nothing May 18 2021 When one of their own ties the knot with a dominatrix (no pun intended), The Impalers—a vampire rock band—are ready to party down. But trouble awaits them once again when they wake up... Attending their bandmate Saxon's wedding seemed simple enough for Johnny Malone and Drake Hanover. But after waking up in a dominatrix's dungeon, they realize their cash and cell phones have been stolen—along with the bride's wedding dress and the groom. And then there's the matter of the two women in the room... Loose cannon Johnny is handcuffed to Lizette, an uptight paper pusher. She wants to help save Johnny from the horrible fate in store for him at the hands of the Vampire Alliance, but he won't sign the paperwork. Then there's Josie, the waifish caterer from the reception, who rescues Drake from a sex swing. Josie may be cute and make a great cupcake, but Drake knows she might also be the thief. Or it could have been that gang of drag queens all dressed as Cher... Regardless, Johnny and Lizette need to get out of these handcuffs. Drake and Josie need to find their missing belongings. And Saxon needs to be located before the Vampire Alliance comes down on them hard...

Nice Girls Don't Have Fangs Dec 05 2022 The first in the Half-Moon Hollow series is "wry, delicious fun" (Susan Andersen, New York Times bestselling author) as it follows a librarian whose life is turned upside down by a tempestuous and sexy vampire. Maybe it was the Shenanigans gift certificate that put her over the edge. When children's librarian and self-professed nice girl Jane Jameson is fired by her beastly boss and handed twenty-five dollars in potato skins instead of a severance check, she goes on a bender

that's sure to become Half Moon Hollow legend. On her way home, she's mistaken for a deer, shot, and left for dead. And thanks to the mysterious stranger she met while chugging neon-colored cocktails, she wakes up with a decidedly unladylike thirst for blood. Jane is now the latest recipient of a gift basket from the Newly Undead Welcoming Committee, and her life-after-lifestyle is taking some getting used to. Her recently deceased favorite aunt is now her ghostly roommate. She has to fake breathing and endure daytime hours to avoid coming out of the coffin to her family. She's forced to forgo her favorite down-home Southern cooking for bags of O negative. Her relationship with her sexy, mercurial vampire sire keeps running hot and cold. And if all that wasn't enough, it looks like someone in Half Moon Hollow is trying to frame her for a series of vampire murders. What's a nice undead girl to do?

Any Way You Want It Aug 09 2020 Is that a treble clef in your pocket, or are you just glad to see me? A musical researcher falls for a bad-ass vampire with a rock-star wardrobe.

What Big Teeth You Have! Nov 23 2021 Explains how teeth are clues to what animals eat and how they get their food.

What If You Had T. Rex Teeth?: And Other Dinosaur Parts Feb 01 2020 If you could have any dinosaur body part, which would you choose? What if you woke up one morning and you had sprouted a dinosaur body part overnight? **What If You Had T. rex Teeth?** -- the next imaginative book in the **What If You Had** series -- explores what would happen if you looked in the mirror and saw that you had become part dino! From a Velociraptor's sharp sickle-tipped toes to a T. rex's giant curved teeth, and from the body armor of an Ankylosaurus to the long neck of a Brachiosaurus -- discover what it would be like if you had one of these wild dinosaur parts! Readers will also learn what makes a dinosaur a dinosaur and why they aren't still around today.

Teeth Aug 21 2021 An NPR Best Book of 2017 "[Teeth is] . . . more than an exploration of a two-tiered system—it is a call for sweeping, radical change." —New York Times Book Review "Show me your teeth," the great naturalist Georges Cuvier is credited with saying, "and I will tell you who you are." In this shattering new work, veteran health journalist Mary Otto looks inside America's mouth, revealing unsettling truths about our unequal society. **Teeth** takes readers on a disturbing journey into America's silent epidemic of oral disease, exposing the hidden connections between tooth decay and stunted job prospects, low educational achievement, social mobility, and the troubling state of our public health. Otto's subjects include the pioneering dentist who made Shirley Temple and Judy Garland's teeth sparkle on the silver screen and helped create the all-American image of "pearly whites"; Deamonte Driver, the young Maryland boy whose tragic death from an abscessed tooth sparked congressional hearings; and a marketing guru who offers advice to dentists on how to push new and expensive treatments and how to keep Medicaid patients at bay. In one of its most disturbing findings, **Teeth** reveals that toothaches are not an occasional inconvenience, but rather a chronic reality for millions of people, including disproportionate numbers of the elderly and people of color. Many people, Otto reveals, resort to prayer to counteract the uniquely devastating effects of dental pain. Otto also goes back in time to understand the roots of our predicament in the history of dentistry, showing how it became separated from mainstream medicine, despite a century of growing evidence that oral health and general bodily health are closely related. Muckraking and paradigm-shifting, **Teeth** exposes for the first time the extent and meaning of our oral health crisis. It joins the small shelf of books that change the way we view society and ourselves—and will spark an urgent conversation about why our teeth matter.

Spiders Have Fangs Oct 23 2021 Gives lots of facts about arachnids, especially spiders, such as how they make webs, hunt, communicate, look after their young, and defend themselves.

The Tales Teeth Tell Sep 29 2019 What teeth can tell us about human evolution, development, and behavior. Our teeth have intriguing stories to tell. These sophisticated time machines record growth, diet, and evolutionary history as clearly as tree rings map a redwood's lifespan. Each day of childhood is etched into tooth crowns and roots—capturing birth, nursing history, environmental clues, and illnesses. The study of ancient, fossilized teeth sheds light on how our ancestors grew up, how we evolved, and how prehistoric cultural transitions continue to affect humans today. In **The Tales Teeth Tell**, biological anthropologist Tanya Smith offers an engaging and surprising look at what teeth tell us about the evolution of primates—including our own uniqueness. Humans' impressive set of varied teeth provides a multipurpose toolkit honed by the diet choices of our mammalian ancestors. Fossil teeth, highly resilient because of their substantial mineral content, are all that is left of some long-extinct species. Smith explains how researchers employ painstaking techniques to coax microscopic secrets from these enigmatic remains. Counting tiny daily lines provides a way to estimate age that is more powerful than

any other forensic technique. Dental plaque—so carefully removed by dental hygienists today—records our ancestors' behavior and health in the form of fossilized food particles and bacteria, including their DNA. Smith also traces the grisly origins of dentistry, reveals that the urge to pick one's teeth is not unique to humans, and illuminates the age-old pursuit of "dental art." The book is generously illustrated with original photographs, many in color.

[I Only Have Fangs for You](#) Jan 06 2023 When vampire Sebastian meets Wilhemina Weiss, who, unbeknownst to him, is working undercover at his club Carfax Abbey to reform his wicked ways, he discovers that love bites in a big way when he falls for this holier-than-thou beauty.

[Devilishly Wicked](#) Jan 14 2021 Assigned by the Prince of Darkness to work recon for the demonic takeover at HOT! magazine, Tristan McIntyre is distracted by his lust for mortal woman Georgia Sullivan. Original.

[Demon Can't Help It](#) Aug 28 2019 "USA Today"-bestselling author Love delivers a sexy, thoroughly original novel that combines paranormal romance with wit and humor.

[Fangs and Teeth](#) Jun 30 2022

[Creature Files Reptiles](#) Jan 02 2020 Get nose to nose with twenty of the fastest, strongest, stealthiest, and most poisonous reptiles you'd the planet Earth has to offer, with Creature Files: Reptiles. From the deadly gaboon viper—with the longest fangs in the world—to the venomous Gila monster that lurks underground, reptiles have an extraordinary assortment of survival skills. Fangs and venom aren't these cold-blooded creatures' only weapons: some are camouflaged to hide in plain sight, and others, like the Komodo dragon, have powerful claws for slashing prey. Still others use their awesome strength to overpower victims, like the green anaconda and its deadly squeeze or the saltwater crocodile and the 3,700 pounds of sheer force it puts into every bite! Creature Files: Reptiles features twenty of the world's most extraordinary reptiles, with reptilian profiles brought to life by vivid photographs and a host of intriguing facts. Each slithering or stalking animal comes with a Fang File to give you the lowdown on how it uses its teeth to pierce, crush, poison, or munch its meals. Can you match the three replica teeth included to the reptilian mouths they belong to?

[Fangs](#) Oct 11 2020 A love story between a vampire and a werewolf by the creator of the enormously popular Sarah's Scribbles comics. Vamp is three hundred years old but in all that time, she has never met her match. This all changes one night in a bar when she meets a charming werewolf. FANGS chronicles the humor, sweetness, and awkwardness of meeting someone perfectly suited to you but also vastly different.

[Fangs!](#) Oct 03 2022 Presents animals that have fangs for injecting poison or sharp teeth and mouths for cutting and biting, including reptiles, mammals, arachnids, and insects, and provides scientific names and information on their size, color, food, and habitat.

[Fangs for Sharing](#) Apr 28 2022 One innocent shifter in mortal danger, two dark and domineering vampire princes determined to protect her--but not before they claim her as their own...The only thing worse than dating a mad scientist who cheated like it was his job? Discovering he secretly revenge-altered my DNA. Now, I'm a lab-made shapeshifter, the kind hunted by a vicious militant group like it's their job. And what The Kin Born catch? The Kin Born kill. Enter two stupidly hot vampires who say they can give me what I need. All night long...Okay, so they don't say the second part flat-out, but we all know what they mean when they say they've been looking for a girl like me. A girl who can handle two bossy alpha vamps in her life. In her business. In her bed...But soon our red-hot chemistry becomes so much more. I'm ready to risk it all for these incredible men, but The Kin Born will stop at nothing to capture their prey, and my princes have just moved to the top of their hit list. FANGS FOR SHARING is a red hot stand alone urban fantasy romance set in the world of Bella Jacob's Dark Moon Shifters series. Each of these steamy standalone tales end with a happily ever after and can be enjoyed alone or as part of the larger Dark Moon universe. No Cliffhanger.

[What If You Had Animal Teeth?](#) May 30 2022 If you could have any animal's front teeth, whose would you choose? WHAT IF YOU HAD ANIMAL TEETH? takes children on a fun, informative, and imaginative journey as they explore what it would be like if their own front teeth were replaced by those of a different animal. Featuring a dozen animals (beaver, great white shark, narwhal, elephant, rattlesnake, naked mole rat, hippopotamus, crocodile, and more), this book explores how different teeth are especially adapted for an animal's survival. At the end of the book, children will discover why their own teeth are just right for them. And they'll also get a friendly reminder to take good care of their teeth, because they're the only teeth they'll ever have. Each spread features a photograph of the animal using its specialized teeth on the

left and a humorous illustrated image of a child using that animal's teeth on the right.

The Teeth of Non-Mammalian Vertebrates Apr 04 2020 **The Teeth of Non-Mammalian Vertebrates** is the first comprehensive publication devoted to the teeth and dentitions of living fishes, amphibians and reptiles. The book presents a comprehensive survey of the amazing variety of tooth forms among non-mammalian vertebrates, based on descriptions of approximately 400 species belonging to about 160 families. The text is lavishly illustrated with more than 600 high-quality color and monochrome photographs of specimens gathered from top museums and research workers from around the world, supplemented by radiographs and micro-CT images. This stimulating work discusses the functional morphology of feeding, the attachment of teeth, and the relationship of tooth form to function, with each chapter accompanied by a comprehensive, up-to-date reference list. Following the descriptions of the teeth and dentitions in each class, four chapters review current topics with considerable research activity: tooth development; tooth replacement; and the structure, formation and evolution of the dental hard tissues. This timely book, authored by internationally recognized teachers and researchers in the field, also reflects the resurgence of interest in the dentitions of non-mammalian vertebrates as experimental systems to help understand genetic changes in evolution of teeth and jaws. Features more than 600 images, including numerous high-quality photographs from internationally-recognized researchers and world class collections Offers guidance on tooth morphology for classification and evolution of vertebrates Provides detailed coverage of the dentition of all living groups of non-mammalian vertebrates

Fangs for the Mammaries Feb 24 2022 **The Follow-Up to st1:street Witch Way/st1:Street to the Mall and Strip Mauled from the Creator of the Chicks in Chainmail Series. Here Come the Vampires to Put the Bite on Suburbia. Having inflicted the smug homes of suburbia with witches and werewolves. Esther Friesner now unleashes the undead to tap a vein of blood and humor, and drain the suburbs dry of both. Vampires and the suburbs are a match made in heaven, or maybe Levittown. Remember Dracula? He didn't run into any real problems until he took his act on the road and traveled to the st1:placename Big/st1:PlaceName st1:placetype City/st1:PlaceType. But in the suburbs, everyone is polite and respectful of their neighbors' right to privacy. And if your neighbors happen to have kids selling gift-wrap, magazine subscriptions, cookies, or other school fundraising ploys, and little Emily or Jason happen to come peddling their wares after sundown . . . Who says you have to stay in the city if you want good take-out meals delivered right to your door? There's no one quite like a vampire for saying, "All of you kids get off of my lawn!" and putting some teeth into it. The stories in these pages—by Sarah A. Hoyt, K.D. Wentworth, Dave Freer and more, including Esther Friesner herself—will convince the reader that vampires and suburbs go together like wine and cheese, gin and tonic, desperation and housewives, marriage and pre-nups. Enter freely and of your own will . . .**

Fangs But No Fangs Mar 28 2022 **There's Nothing Uglier Than A Vampire Singing "Feelings"** If I hadn't seen it for myself, I'd swear it couldn't be true: my brother, Christian, living in a trailer park and working at a karaoke bar. We're talking about the snob who'd probably sniff the plasma packets and send 'em back in a huff if the blood type wasn't the right vintage. But after centuries of living in the undead fastlane, he's made up his mind that this is exactly where he needs to spend the rest of eternity, atoning for his many, many, sins. But sometimes things just don't work out like you think they will. Sometimes your hell can turn into your heaven. And thanks to Christian's chatty neighbor and boss, Jolee, things seem to be getting a whole lot nicer in Shady Fork Mobile Estates. Not that either of them has the first idea how to have a normal relationship--we are talking about a woman's who's only dated dead-beats, and a guy who's only dated the dead. Well, nobody's perfect.

Fangs Nov 11 2020 **Lawrence** is a vampire who's had a rough couple hundred years. His old mini-van will barely start, his hunting victims have been fighting back, and lives bereft of friends in a tiny apartment... when he can afford that luxury. Fortunately, he has the ability to almost literally 'make' friends, and things start to turn around when he brings in a couple stray animals. Do vampires really need pets? Turns out, he's going to need all the help he can get: the elder vampire Council has a hunter out for him as they think he's set to fulfill a prophecy to overthrow them. **Fangs** is a light-hearted vampire book that reminds us that just because you're immortal doesn't mean you're good looking, well-off, or instantly popular. Sometimes being immortal is just as difficult as being mortal. It's a rough un-life.

Understanding the Horse's Teeth and Mouth Jul 08 2020 **Over thousands of years the horse's teeth have evolved to be hard-wearing and efficient in biting through plant material and grinding food to make it digestible. However, man's domestication of the horse has resulted in numerous potential problems in**

this area, with ill-fitting bits and inappropriate diet, as well as natural factors such as disease, parasites and old age all posing potential hazards. Understanding the Horse's Teeth and Mouth explains in accessible terms what equine dental care involves, why good dental care is important for the horse and how oral conditions can affect not only the way the horse eats, but also its health, behaviour and movement. Topics covered include: Dental anatomy; Bits and biting; Rasping; Pathologies and how to treat them; Nerve blocks and techniques for tooth extraction; Procedures such as filling horses' teeth. Superbly illustrated with 150 colour photographs and 20 diagrams.
