Antique Trader Bottles Oct 28 2019 [Antique Trader Bottles Identification and Price Guide](#) is known as the "Bottle Bible" and is the only full-colour bottle book on the market. It is the definitive guide to one of the oldest, largest, and most organised segments of the antiques field (more than 100,000 active collectors). [Antique Trader Bottles Identification and Price Guide](#) is the only full-color bottle price guide on the market. It's loaded with information: from listings and current market values, to more than 700 color photographs that capture the beauty and allure of the hobby. They are one of the most common collectibles and are found in almost all antique shops and flea markets. Covering more than 50 bottle categories from the 19th and 20th centuries, the book offers a wealth of information for the new and advanced collector (See outline). Readers will discover tips for finding, identifying, researching buying, selling, displaying and caring for their bottles. Collectors get the detailed descriptions, trademarks, and color photos they need to make a positive identification of their bottles. Also, bottle collectors will have accurate, up-to-date prices and a state-of-the-market report, as well as collecting tips on reproductions, rarity, and factors that determine value compiled by one of the leading bottle collecting authors in the country.
