The life of Samuel Johnson ... including A journal of a tour to the Hebrides. With additions and notes, by J.W. Croker Dec 12 2020
Life of Samuel Johnson Apr 27 2022 Originally published in 1791, this biography of English writer, Samuel Johnson, has been described as the greatest biography ever written. Differing from others in that era, it contained not just a record of Johnson's public life, but instead painted a vivid portrait of him, and included extensive reports of Johnson's conversation. This edition is an abridged version edited by Charles Grosvenor Osgood. Note: there were no chapters in the main body of the text, so I added some arbitrary ones to break the text up a little bit.

THE LIFE OF SAMEUL JOHNSON Jun 05 2020
The Life of Samuel Johnson Sep 01 2022 In making this abridgement of Boswell's Life of Johnson I have omitted most of Boswell's criticisms, comments, and notes, all of Johnson's opinions in legal cases, most of the letters, and parts of the conversation dealing with matters which were of greater importance in Boswell's day than now. I have kept in mind an old habit, common enough, I dare say, among its devotees, of opening the book of random, and reading wherever the eye falls upon a passage of especial interest. All such passages, I hope, have been retained, and enough of the whole book to illustrate all the phases of Johnson's mind and of his time which Boswell observed.

The Life of Samuel Johnson, LL. D., Comprehending an Account of His Studies, and Numerous Works, in Chronological Order Aug 08 2020
The Life of Samuel Johnson Feb 23 2022 Notoriously and self-confessedly intemperate, James Boswell shared with his friend Samuel Johnson a huge appetite for 18th-century life and threw equal energy into recording its every aspect in his vivacious daily JOURNALS. The result is a masterpiece that brims with wit, anecdote and originality and still today continues to enjoy its status as a classic of the language. Copyright © Libri GmbH. All rights reserved.

Life of Johnson Oct 22 2021
Life of Johnson Nov 22 2021 In making this abridgement of Boswell's Life of Johnson I have omitted most of Boswell's criticisms, comments, and notes, all of Johnson's opinions in legal cases, most of the letters, and parts of the conversation dealing with matters which were of greater importance in Boswell's day than now. I have kept in mind an old habit, common enough, I dare say, among its devotees, of opening the book of random, and reading wherever the eye falls upon a passage of especial interest. All such passages, I hope, have been retained, and enough of the whole book to illustrate all the phases of Johnson's mind and of his time which Boswell observed. Loyal Johnsonians may look upon such a book with a measure of scorn. I could not have made it, had I not believed that it would be the means of drawing new readers to Boswell, and eventually of finding for them in the complete work what many have already found—days and years of growing enlightenment and happy companionship, and an innocent refuge from the cares and perturbations of life.
The life of Samuel Johnson. Copious notes by Malone May 17 2021
The life of Samuel Johnson ... together with A journal of a tour to the Hebrides. Repr. of the 1st ed., to which are added mr. Boswell's corrections [&c.], Ed., with new notes, by P. Fitzgerald. (Auchinleck ed.) Sep 08 2020
THE LIFE OF SAMUEL JOHNSON - All 6 Volumes in One Edition Apr 03 2020 "The Life of Samuel Johnson, LL.D." (1791) is a biography of Dr. Samuel Johnson written by James Boswell. It is regarded as an important stage in the development of the modern genre of biography; many have claimed it as the greatest biography written in English. While Boswell's personal acquaintance with his subject only began in 1763, when Johnson was 54 years old, Boswell covered the entirety of Johnson's life by means of additional research. The biography takes many critical liberties with Johnson's life, as Boswell makes various changes to Johnson's quotations and even censors many comments. Regardless of these actions, modern biographers have found Boswell's biography as an important source of information. The work was popular among early audiences and with modern critics, but some of the modern critics believe that the work cannot be considered a proper biography. James Boswell (1740–1795) was a lawyer, diarist, and author born in Edinburgh, Scotland. He is best known for the biography he wrote of one of his contemporaries, the English literary figure Samuel Johnson, which the modern Johnsonian critic Harold Bloom has claimed is the greatest biography written in the English language.

Steve Jobs. Il genio visionario e creativo del nostro tempo Jan 05 2023 Questo ebook ti propone un modo integrato di esperienza del contenuto. All'interno troverai i link diretti a video, per la fruizione in streaming. È una calda quanto emozionante giornata per gli studenti della Stanford University: la cerimonia della consegna delle lauree è uno dei grandi riti americani, e a rendere questo giorno ancora più memorabile è l'uomo in toga nera e colletto rosso che si appresta a pronunciare il suo discorso augurale. Steve Jobs, dietro quel suo sorriso che tradisce un filo d'emozione e quegli occhi accesi di febbre intelligente, fa una pausa prima della frase finale, una frase che diventerà il simbolo stesso della sua filosofia di vita e della sua visione del mondo. "Stay hungry, stay foolish", "Siate affamati, siate folli". Affamato e folle. Così è sempre stato Steve Jobs, con i suoi successi e i suoi fallimenti, il suo carattere estremo e la sua visione estrema di purezza e perfezione. Questo libro ripercorre la vita di questo visionario anticonformista dalla mente vorace e inarrestabile, che ha attraversato da protagonista la storia dell'informatica e ha rivoluzionato il modo di pensare e vivere la tecnologia. Ma soprattutto traccia una "biografia mentale" di Steve Jobs, un ritratto del suo genio. Un genio controverso, che spesso divide ma non lascia indifferenti, e un genio moderno, capace di saper unire elementi diversi e integrarli in una visione coerente, di saper vedere oltre le credenze comuni e di saper riuscire, con la forza dell'immaginazione, a creare le condizioni per realizzare la propria visione e modellare il reale sulla base del proprio ideale. Dalla fugacità di una vita infelice morsa dal fuoco dell'anima, Steve Jobs ci ha lasciato un mondo che gli somiglia molto: instabile, imprevedibile, complesso, irrequieto, a volte indecifrabile. Ma è anche un mondo eccitante, ricco di opportunità, di creatività e di bellezza. Anzi... di una folle bellezza.
