Feldgrau 1915-16 Jun 29 2022 From 1907-15 the uniforms of the German Army went through dramatic changes when Prussian blue was transformed into the new 'feldgrau', or field gray. The next change came in 1915 with the introduction of the new field gray wartime and peacetime uniforms. This volume combines three period volumes and each is illustrated in color and refer only to the 1915 wartime and peacetime uniforms: 1. Deutchlands Armeee in feldgrauer Kriegs-und-Friedens-Uniform; 2. Feldgrau in Krieg und Frieden, Berlin 1916; 3. Die Feldgrau Friedens-und Kriegs-Bekleidung der K. Bayerischen Armeee, Munich 1916.

The Pharisees and Jesus Dec 12 2020 Excerpt from *The Pharisees and Jesus: The Stone Lectures for 1915-16* Delivered at the Princeton Theological Seminary Portions of this volume were delivered as lectures on the L. P. Stone Foundation the last week in February 1916, before the Princeton Theological Seminary. The author recalls with pleasure the kindly interest of Faculty and Students during those days. The lectures have been revised and enlarged and adapted to the purpose of the present volume. It is a gratifying sign of the times that modern Jewish scholars exhibit a friendly spirit towards Jesus and Christianity. It is highly important that Jews and Christians understand each other. That is the best way to appreciate and to admire the good in each other. The treatment of Jesus by the Pharisees and of the Pharisees by Jesus is an inflammable subject for some minds, but it is one that has to be discussed and, indeed, has been discussed with great fidelity. Recent efforts to get a new conception of the Pharisees make it necessary to review the whole problem in the light of the new knowledge. If the story is a sad one, it must be remembered that the facts of history cannot be changed. We must learn the lesson of love and mutual forbearance from the strife of the past.
