Secret Mental Powers Jun 05 2020 Secret Mental Powers: Miracle of Mind Magic How to energize your mental dynamo to work miracles for you! Frank Young has done a lot of research in his field of study and was truly ahead of his time. Many books delve into the sub-conscious mind and how it works. This book takes a different approach. He teaches you how to use you conscious mind to achieve anything you want in life. I think it's best to learn about the conscious mind before learning about the sub-conscious. He gives techniques that can be used over and over until you achieve success. His teaching are genuine and not a rewrite of other peoples work. I have read the majority of his other books. I can say that this book should be the foundation before getting into his more advanced work such as Cyclomancy, Zodiac Force Control, Mental Domination, and more...

Anatomy of an Epidemic Apr 03 2020 Updated with bonus material, including a new foreword and afterword with new research, this New York Times bestseller is essential reading for a time when mental health is constantly in the news. In this astonishing and startling book, award-winning science and history writer Robert Whitaker investigates a medical mystery: Why has the number of disabled mentally ill in the United States tripled over the past two decades? Interwoven with Whitaker's groundbreaking analysis of the merits of psychiatric medications are the personal stories of children and adults swept up in this epidemic. As Anatomy of an Epidemic reveals, other societies have begun to alter their use of psychiatric medications and are now reporting much improved outcomes . . . so why can't such change happen here in the United States? Why have the results from these long-term studies—all of which point to the same startling conclusion—been kept from the public? Our nation has been hit by an epidemic of disabling mental illness, and yet, as Anatomy of an Epidemic reveals, the medical blueprints for curbing that epidemic have already been drawn up. Praise for Anatomy of an Epidemic "The timing of Robert Whitaker's Anatomy of an Epidemic, a comprehensive and highly readable history of psychiatry in the United States, couldn't be better."—Salon "Anatomy of an Epidemic offers some answers, charting controversial ground with mystery-novel pacing."—TIME "Lucid, pointed and important, Anatomy of an Epidemic should be required reading for anyone considering extended use of psychiatric medicine. Whitaker is at the height of his powers." —Greg Critser, author of Generation Rx
