The Awesome Egyptians Aug 31 2022 Provides a variety of gruesome information about the culture and daily life of the ancient Egyptians.

The Last Heiress Aug 26 2019 At the close of ancient Egypt's ambitious Eighteenth Dynasty, power, art, and learning have reached a zenith. Due to the nation's yearly flooding, steady harvests, and plentiful gold, Egypt is the richest nation in the world. Ruling over this paradise is Pharaoh, considered a god-on-earth by his people. But on the death of Amunhotep III, his son, known to history as the Heretic King Akhenaten, enters into a war with the powerful priesthood of Amun and claims ownership of the souls of his people. He raises a new god for Egypt to worship, and banishes the ancient gods from the land. The consequences of this will lead to the downfall of the ruling dynasty, the very family that had made Egypt into a mighty empire. The delicate and beautiful third daughter of Akhenaten and Nefertiti, Princess Ankhesenamun knows nothing but power and luxury. Her mother Nefertiti rules Akhenaten's heart and other wives as her father rules the land. But when Nefertiti fails to give Akhenaten the son he desires, the princess's pampered world begins to fall apart. And at the height of Akhenaten's triumph over his people, an unexpected tragedy strikes the land, giving those oppressed a new reason to fight. Soon the chaos outside the King's House explodes within, tearing the royal family apart. Watching from the shadows is Prince Tutankhamun. His mother was a princess, but she died after his birth, and he has grown up on the edge of the king's favor because of Nefertiti's strong influence. The crown, which he feels is his by right, is expected to go Nefertiti's oldest daughter, but Akhenaten refuses to name an heir. Attended as the son of a god but isolated from his family, Tutankhamun spends his days surpassing his tutors, gaining his omnipotent father's attention only by extreme achievement or reckless courage. Though dominated by her oldest sister, Tutankhamun's born rival, young princess Ankhesenamun is drawn to the proud and mysterious black-eyed boy. As events in her home become intolerable and terrifying, Ankhesenamun finds that the prince her mother and sister fear is the only one that she can trust. Broken by the burden of a war with his own people, Pharaoh begins to lose control. Paranoid and accustomed to utter indulgence, he wields his absolute authority with ever more brutal hands. He betrays his young daughter in the cruelest of ways before his sudden death leaves the royal family without a king, and beset on all sides by their own countrymen. Ankhesenamun wants nothing to do with the ensuing power struggle between the Great Royal Wife, Nefertiti, and the First Daughter and her lover. But as a beautiful young king's widow, her hands are bound to the throne. Horrified at the prospect of another unwanted marriage, Ankhesenamun turns to Prince Tutankhamun, and they flee the palace. But Tutankhamun is destined to be Pharaoh, as he has always known. Murder makes him a king at age ten, and he persuades a fragile Ankhesenamun to be his Great Royal Wife. Though Akhenaten has destroyed his family's hold on power, Tutankhamun fearlessly takes up the crown. He pledges to make everything right again, not only for his enraged and traumatized people, but for the princess he loves with a fierce, possessive loyalty. Encouraged by his counselors, Tutankhamun breaks his father's laws and calls back the ancient gods to Egypt. In return, the gods bless the young king with the love of his people and a tranquil home. Ankhesenamun regains her strength, and sets out to command her palace and learn the ancient rites of Egypt's goddesses. Though challenged by a mysterious and painful affliction that threatens to cripple him in only a few years, Pharaoh is determined to become a warrior and resurrect the mighty imperial army of his ancestors. As the pair grows to maturity, they break free of the horrors of childhood and discover a love so powerful it's blinding. It seems that all is well in Egypt, but as Pharaoh and his wife enchant each other, new enemies rear up against them. Corrupt courtiers and a powerful empire growing out of the north, as well as snake in the very heart of the king's home all threaten the young king and queen of Egypt, and Tutankhamun must become increasingly ruthless to battle them all. When a horrible act of terror and defiance against the king brings Tutankhamun face to face with his father's ghost, he loses faith in himself and must decide what sort of man he will be. Ankhesenamun adores her young husband, and she is determined to be nothing like her mother. But though blessed with a child, she has fatal complications with her next pregnancy. She battles with love and fear daily, and after another tragic loss, she questions if she wants more children. Her marriage is strained by Tutankhamun's growing comfort with the darker sides of power, and she is determined to keep him from losing his soul like Akhenaten did. She wants nothing more than the life she has with Tutankhamun, without any interruption from the ghosts of the past. Just when Ankhesenamun and her husband learn to accept fate and enjoy their blessings, Tutankhamun dies a tragic death while fighting Egypt's fiercest enemies. The pampered and delicate young queen is left alone, and as she brings her husband to his final rest, she discovers the terrifying truth that her husband's death might have been set up by enemies in her very home. Caught in a viper's nest of greed and betrayal, Ankhesenamun must plunge into a world of intrigue and corruption if she means to avenge her family and save her people from a usurper. Hanging her own life in the balance, she must play a subtle and deadly game of power in order to destroy a killer.

Egyptian Mythology For Kids: Discover Fascinating History, Facts, Gods, Goddesses, Bedtime Stories, Pharaohs, Pyramids, Mummies & More from Ancient Egypt May 04 2020 Egyptian History, Myths & Stories of Imagination, Fun & Adventure For Kids! The Seventh Scroll Sep 07 2020 For four thousand years, the lavish crypt of the Pharaoh Mamese has never been found-- until the beautiful Egyptologist Royan Al Simma finds a tantalizing clue to its location in the Seventh Scroll, a cryptic document written by the slave Taita. But the location of the crypt and its treasure is a secret others would kill to possess. Only one step ahead of assassins, Royan runs for her life and into the arms of the only man she can trust, Sir Nicholas Quanton-Harper-- a daring man who will stake his fortune and his life to join her hunt for the king's tomb. Together, they will embark on a breathtaking journey to the most exotic locale on earth, where the greatest mystery of ancient Egypt, a chilling danger, and an explosive passion are waiting. Steeped in ancient mystery, drama, and action, Wilbur Smith's The Seventh Scroll will pull you in for an adventure of a lifetime.

Curse of the Pharaohs Nov 29 2019 Join our plucky Victorian Egyptologist + together with her devastatingly handsome and brilliant husband Radcliffe, in another exciting escapade When Lady Baskerville's husband Sir Henry dies after discovering what may have been an undisturbed royal tomb in Luxor, she appeals to eminent archaeologist Radcliffe Emerson and his wife Amelia to take over the excavation. Amid rumours of a curse haunting all those involved with the dig, the intrepid couple proceeds to Egypt, where they begin to suspect that Sir Henry did not die a natural death, and they are confident that the accidents that plague the dig are caused by a sinister human element, not a pharaoh's curse

Gritty, Stinky Ancient Egypt Oct 28 2019 "Describes disgusting details about daily life in ancient Egypt, including housing, food, and sanitation"--Provided by publisher.

The Pharaoh's Daughter Dec 23 2021 The first book in the Treasures of the Nile series Anippe has grown up in the shadows of Egypt's good god Pharaoh, aware that Anubis, god of the afterlife, may take her--or her siblings--at any moment. She watched him snatch her mother and infant brother during childbirth, a moment which awakens in her a terrible dread of ever bearing a child. When she learns that she is to become the bride of Sebak, a kind but quick-tempered Captain of Pharaoh Tut's army, Anippe launches a series of deceptions with the help of the Hebrew midwives--women ordered by Tut to drown the sons of their own people in the Nile--in order to provide Sebak the heir he deserves and yet protect herself from the underworld gods. When she finds a baby floating in a basket on the great river, Anippe believes Egypt's gods have answered her pleas, entrenching her more deeply in deception and placing her and her son Mehy, whom handmaiden Miriam calls Moses, in mortal danger. As bloodshed and savage politics shift the balance of power in Egypt, the gods reveal their fickle natures and Anippe wonders

if her son, a boy of Hebrew blood, could one day become king. Or does the god of her Hebrew servants, the one they call El Shaddai, have a different plan for them all?

**A Pharaoh's Guide Nov 21 2021** I am the mighty pharaoh of Egypt. I control the River Nile, plan great cities, and make sure I am the richest person in all of Egypt—with the most exotic food and expensive clothes. After all, I get to make the rules: Peasants must live far away from me, my tomb must be magnificent and secure, and we must have a strong army to defeat our neighbors. Read all of my rules to discover how I keep my kingdom running like clockwork. Everyone has their place, precious goods pour in, and I teeter—on the pinnacle of power. Who would dare challenge me?

**The Hermetica Oct 09 2020** The Hermetica, otherwise known as *The Corpus Hermeticum*, *The Lost Wisdom of the Pharaohs*, or *The Divine Pymander* is a collection of texts attributed to Hermes Trismegistus (Greek god Hermes and Egyptian god Thoth -- Trismegistus for "The Thrice-Greatest") which brought forth the principles of the Hermetics with eighteen treatises/tracts. The book is often divided into two main categories: The technical (astrology, medicine and pharmacology, alchemy, and magic) and the religio-philosophical (anthropology, cosmology, theology). The Hermetica, and Hermeticism from it, claims that there is One true theology of the world, and said theology is the Root and Source. It presents a tautology to God Itself, that the Source is Source Itself, Source "containeth every number, but is contained by none; engendereth every number, but is engendered by no other one." The Hermetica presents that past all our mullings over different gods, there is Source Itself behind all religions. While a lot of *The Hermetica* is presented as gospel, it is mainly a discourse on principles concerning a hermetic philosophy. It remains a source of continuous, unfolding interpretations. The beauty of this work is not in its rigidity, but its fluidness to be open to new interpretations, which has solidified its staying power for centuries.

**The Quest Jun 16 2021** When ancient Egypt is threatened by a series of terrifying plagues, including the failure of the Nile River, the pharaoh sends the Warlock Taita on a perilous quest to the source of the Nile to uncover the cause of the catastrophe, unaware of the terrible enemy who lies in wait, plotting the destruction of The Warlock. By the author of *River God*. 225,000 first printing.

**The Last Pharaoh: Farouk of Egypt Aug 07 2020** His father named him Farouk, which means "On Who Knows Right from Wrong." At sixteen he was the hope of an independent Egypt, a handsome, godlike young man who, the fellahin believed, would lead them into a time of peace and plenty. Ten years transformed him into an obese faun with a mania for women, gambling, and other people's possessions. Farouk of Egypt became an object of ridicule, the subject of bad jokes, an awful example of the consequences of unlimited power and wealth, a disaster for his people. In this deeply interesting and revealing biography, written by an author who spent two years in search of the person behind the legend, Farouk's obsession with sex is shown as a desperate attempt both to remedy and to conceal his inadequacy. Deprived of childhood companions, the boy became the prey to scheming politicians and syncophantic servants. He was poorly educated, immature, and totally unprepared for the arduous task of ruling his corrupt and feudal country. The more powerless his ineptitude made him, the more autocratic he grew; the more impotent as a lover, the more frenzied his pursuit of women. His patient subjects tolerated his mistakes and excesses until, finally, his private scandals, his divorce from his popular queen, Farida, and the Palestine debacle set the stage for the long-over-due and almost comic revolution that forced him into exile. The author interviewed Farouk's courtiers, his doctors, the men who made the revolution, and the women who knew him intimately. On the Continent he traced and talked with the king's companions in exile. In England he saw such statesmen as Lord Avon and Lord Chandos, as well as ambassadors, Arabists, and the general who planned the wartime coup de palais. Drawing on the recollections of more than a hundred and fifty observers and on unpublished British and Egyptian sources, he has written an oddly touching biography of a complex man. -- from dust jacket.

**Pharaoh Sep 27 2019** Worldwide #1 bestselling author Wilbur Smith returns to Ancient Egypt in a captivating new novel that will transport you to extraordinary times. EGYPT IS UNDER ATTACK. Pharaoh Tamose lies mortally wounded. The ancient city of Luxor is surrounded. All seems lost. Taita, advisor to the Pharaoh, prepares for the enemy's final, fatal push. The ex-slave, now general of Tamose's armies, is never more ingenious than when all hope is dashed. And this is Egypt's most desperate hour. With the timely arrival of an old ally, the tide is turned and the Egyptian army feasts upon its retreating foe. But upon his victorious return to Luxor, Taita is seized and branded a traitor. Tamose is dead and a poisonous new era has begun. The new Pharaoh has risen — and he must be stopped... From the glittering temples of Luxor to the Citadel of Sparta, PHARAOH is an intense and powerful novel magnificently transporting you to a time of threat, blood and glory. Master storyteller, Wilbur Smith, is at the very peak of his powers.

**Nubian Pharaohs and Meroitic Kings Feb 10 2021** NUBIAN PHARAOHS AND MEROITIC KINGS: THE KINGDOM OF KUSH Necia Desiree Harkless has completed her odyssey of 24 years initiated by a poem that emerged in the odd moments of early morning and her studies as a Donovan Scholar at the University of Kentucky with Dr. William Y. Adams, the leading Nubiologist of the world. The awesome result is her attempt to map the cultural, social, political history of Nubia as a single people as actors on the world stage as they act out their destinies in the cradle of civilization. The underlying purpose of her book is to reconstruct the collective efforts of the past and present Nubian campaigns and their collaborative scholarship so that the African American as well as all Americans can begin to understand the contributions of the civilization of Africa and Asia as a continuous historical entity. The history of the Kingdom of Kush begins with its earliest kingdom of Kerma in 2500 BC. It continues with the conquest of Egypt by the Nubian Pharaohs in 750 BC, reluctantly recognized as the Twenty-fifth Dynasty of Egyptian Pharaohs. They ruled as black pharaohs from their Kingdom at Napatan until they were forced one hundred years later to retreat to Napata by the Assyrians who assumed control of the Egyptians. It was at Meroe, the last empire of the Kush, that forty generations of Meroitic kings and queens continued the Kingdom of Kush reaching monumental and dynastic heights. Their symbiotic relationship with Egypt was over, allowing them to develop their own indigenous culture with a language and script of their own. Their architecture, arts, politics, material and spiritual culture in the minds of many scholars surpassed that of Egypt. Over two hundred pyramids have been investigated. It is an epic that will be long remembered. The dawn of Christianity in the Kingdom of Kush has been found in the treasure cove of the Frescoes of Faras.

**Ancient Egypt Apr 26 2022** Retell's nine tales of ancient Egypt, including the story of Ra rising from the waters of the Nile to create the gods of the earth, sky, and rain.

**Imprisoned with the Pharaohs (Fantasy and Horror Classics) Jan 12 2021** After being kidnapped by a local tour guide who bears a striking resemblance to an ancient pharaoh, Harold Houdini is thrown in a deep pit next to the Great Sphinx. Whilst trying to break free, he happens across a large cave where he encounters the ancient god and inspiration for the Sphinx. Written in collaboration with Harry Houdini in February 1924, "Imprisoned with the Pharaohs" is an interesting short story from master of the form, H. P. Lovecraft, and is not to be missed by fans and collectors of his seminal work. Howard Phillips Lovecraft (1890–1937) was an American writer of supernatural horror fiction. Though his works remained largely unknown and did not furnish him with a decent living, Lovecraft is today considered to be among the most significant writers of supernatural horror fiction of the twentieth century. Other notable works by this author include: "At the Mountains of Madness", "The Rats in the Walls", and "The Shadow Over Innsmouth". Read & Co. is publishing this classic short story now as part of our "Fantasy and Horror Classics" imprint in a new edition with a dedication by George Henry Weiss.

**Pharaoh Jul 06 2020**

**Horrible Jobs in Ancient Egypt Jun 28 2022** What could be worse than embalming a dead body? Being buried with it! Some pharaohs and wealthy Egyptians insisted their servants be buried with them to serve in the afterlife. Other jobs of the time were less deadly, but smellier! Readers learn a lot about ancient Egyptian society as they're introduced to the unsavory tasks of slaves, peasants, and others. Full-color images showcase archeological evidence of these gross jobs, and interesting sidebars and fact boxes add even more stinky detail. Candid examples—including the removal of a person's guts during mummification—will stay with readers long after they've finished reading.

**Medicine in the Days of the Pharaohs Aug 19 2021** Evidence of the medical practice of ancient Egypt has come down to us not only in pictorial art but also in papyrus scrolls, in funerary inscriptions, and in the mummified bodies of ancient Egyptians themselves. Halioua and Ziskind provide a comprehensive account of pharaonic medicine that is illuminated by what modern science has discovered about the lives (and deaths) of people from all walks of life.

**Akhenaten - an Epic Poem Apr 02 2020** For millennia Pharaoh Akhenaten has been the outcast pharaoh among ancient Egypt's rulers. In ancient Egypt, after his reign was over he was called "Sebiu" - the accused heretic, the benighted one who must not be referred to by name. When he died his new city Akhetaten was razed to the ground, his sacred names were all plucked down from the monuments or were altered by the pharaoh's who came after him to honour themselves and damn every trace and memory of this pharaoh whom every pharaoh who came after hated with an especial hatred and fury. His statues were either defaced or remodelled into the likenesses of the Pharaohs who came to rule ancient Egypt after him - and the only reference that would be allowed Pharaoh Akhenaten was Sebiu! Damned heretic and benighted traitor. What was Pharaoh Akhenaten's crime that earned him a banishment that has proved one of the most enduring and successful acts of damnatio memoriae? When he came to power Pharaoh Akhenaten, like every pharaoh before and since his time, was encased in the ceremonial ritual that surrounds all pharaohs - pharaoh as god incarnate. The representative of the gods come down to earth to bestow divine favour on a benighted humanity. As dramatised in the epic

AKHENATEN Pharaoh Akhenaten's crime was to tear down the fabric of this great mystique that surrounds the person of the pharaoh and to rule as a mortal among men. This is the first great crime against which both god and humanity have not forgiven Pharaoh Akhenaten for, now, close on three millennia. Pharaoh Akhenaten's second unforgivable crime was a terrible challenge that earned him the name of Sebiu! That was the dare that the lord of the universe, the god of all humanity, HE that succours all humanity was manifest as ONE - not the myriad manifestations of divinity that all Egypt had worshiped for millennia. The gods of Egypt, the entrenched clerical bureaucracy all combine forces to erase this unprecedented challenge and as AKHENATEN shows - the first blow struck against Pharaoh Akhenaten was struck against him through his family. His presence centred on the beneficent Sun that daily shone down upon all humanity, the Aten, Pharaoh Akhenaten's revelation on the being of the one god was such a cosmic altering revelation that even now Pharaoh's challenge has still not lost its seminal impact as shown in my epic on the life and reign of the pharaoh. When a Nietzsche or a Marx or a Sartre comes along to question humanity's relation to that which is more than human, the world experiences an consciousness-altering world historical moment - for the impact of Pharaoh Akhenaten's challenge I invite you to read the epic to see the drama of this, humanity's, first challenge to the gods and what impact this revolutionary Pharaoh's declaration has meant for humanity. Apart from unmasking the mystique of the Pharaohs, apart from his iconoclasm - his warrior challenge against the old gods, the truly revolutionary impact of Pharaoh Akhenaten was to plant the individual in African history, to plant the being of self on African soil and by his action to announce that the being of the individual, the individual's self and aspirations, this had a validity that overrode the demands imposed upon the self by power, the state and social institutions. This was a message of such revolutionary impact that even now, three millennia later. Pharaoh Akhenaten's focus on the self and the aspirations of the individual has remained puzzling, incomprehensible : that the individual is a validity , a cosmic claim as valid as the claim of society and power on the universe. The epic stature of Pharaoh Akhenaten is in this revolutionary claim that the individual makes here on earth, as fragile, frail and human as this claim is. AKHENATEN honours this revolutionary defender of humanity on a cosmos that rejects that human claim: Pharaoh Akhenaten. Read AKHENATEN the dramatic epic and witness the tragic epic drama between Pharaoh and the gods.

*Mangy Mummies, Menacing Pharaohs, and the Awful Afterlife* Jan 04 2023 From feast days of gods and goddesses to victory celebrations, the ancient Egyptians looked for any excuse to throw a party. However, the largest social group included slaves, laborers, and peasants who worked really hard and likely didn't get to enjoy these occasions as much as the pharaoh or his family. Fun facts about how mummies were created, the ins and outs of the Egyptians gods and goddesses, and more engage readers in an important historical period. A colorful layout, complete with comical illustrations, complements the main content's lighthearted tone and entertaining take on ancient Egypt.

*The Rise and Fall of Ancient Egypt* Mar 14 2021 NEW YORK TIMES BESTSELLER • "Magisterial . . . [A] rich portrait of ancient Egypt's complex evolution over the course of three millennia."—Los Angeles Times NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • Publishers Weekly In this landmark volume, one of the world's most renowned Egyptologists tells the epic story of this great civilization, from its birth as the first nation-state to its absorption into the Roman Empire. Drawing upon forty years of archaeological research, award-winning scholar Toby Wilkinson takes us inside a tribal society with a pre-monetary economy and decadent, divine kings who ruled with all-too-recognizable human emotions. Here are the legendary leaders: Akhenaten, the "heretic king," who with his wife Nefertiti brought about a revolution with a bold new religion; Tutankhamun, whose dazzling tomb would remain hidden for three millennia; and eleven pharaohs called Ramesses, the last of whom presided over the militarism, lawlessness, and corruption that caused a political and societal decline. Filled with new information and unique interpretations, *The Rise and Fall of Ancient Egypt* is a riveting and revelatory work of wild drama, bold spectacle, unforgettable characters, and sweeping history. "With a literary flair and a sense for a story well told, Mr. Wilkinson offers a highly readable, factually up-to-date account."—The Wall Street Journal "[Wilkinson] writes with considerable verve. . . . [He] is nimble at conveying the sumptuous pageantry and cultural sophistication of pharaonic Egypt."—The New York Times

*Awful Egyptians* Nov 02 2022 All the Awful Egyptians' most horrible facts ready for readers to uncover, including why the Egyptian people worshipped a dung beetle, which pharaoh married her grandfather and what the 'Shepherd of the Royal Backside' had to do! These bestselling titles are sure to be a huge hit with yet another generation of Terry Deary fans.

*Gods And Pharaohs* Jan 24 2022 Ancient Egypt, one of the worlds earliest known empires. We will explore the history of Egypt, from the first settlement on the Nile river to the fall of one of the greatest civilizations in history. Discover what inventions the Egyptians designed, and learn what the life of a common person was like during the reign of the Pharaoh. Pharaohs were the ultimate rulers in Egypt, but did you know they were not always called by that title? Learn about the most prolific Pharaohs, and all they accomplished during their reign. Many Egyptian rulers changed the course of history for the Egyptian people, from new laws that still stand today, to the commissioning and creation of the great pyramids. We'll also learn about the many Gods the Ancient Egyptians worshiped. The great Horus. The terrible Amun. The powerful Ra. Who were the most popular? What did each different God represent? What were the rituals involved in worship? From the birth of the empire, to its peak of power, to its downfall. From the first Pharaoh to the last. From the most powerful God to the most feared. Let's delve into the grand kingdom that was Ancient Egypt, and discover secrets about the world's first great empire.

*Pharaohs on Both Sides of the Blood-red Waters* Dec 31 2019 After the civil rights and anti-apartheid struggles, are we truly living in post-racial, post-apartheid societies where the word struggle is now out of place? Do we now truly realize that, as President Obama said, the situation for the Palestinian people is "intolerable"? This book argues that this is not so, and asks, "What has Soweto to do with Ferguson, New York with Cape Town, Baltimore with Ramallah?" With South Africa, the United States, and Palestine as the most immediate points of reference, it seeks to explore the global wave of renewed struggles and nonviolent revolutions led largely by young people and the challenges these pose to prophetic theology and the church. It invites the reader to engage in a trans-Atlantic conversation on freedom, justice, peace, and dignity. These struggles for justice reflect the proposal the book discusses: there are pharaohs on both sides of the blood-red waters. Central to this conversation are the issues of faith and struggles for justice: the call for reconciliation--its possibilities and risks; the challenges of and from youth leadership; prophetic resistance; and the resilient, audacious hope without which no struggle has a future. The book argues that these revolutions will only succeed if they are claimed, embraced, and driven by the people. "Allan Boesak breaks the awful silence of prophetic Christianity in our contemporary times. Boesak recognizes the kindred struggles intersecting our world, but returns again and again to the South African context, revisiting and re-constructing the resources required for a prophetic theology for this contextual 'moment.' The book offers a careful analysis of the prophetic theological trajectory, gathering what remains useful and forging what is needed to do prophetic theology in and for our globalized world." -- Gerald O. West, University of KwaZulu-Natal, South Africa "Boesak's keen analyses and persuasive arguments invite readers to take seriously contemporary cries for freedom and the braided significance of world-wide longing for justice. Allan Boesak says there comes a time in freedom struggles when we must acknowledge the transformative power of religion. Many scholars who study transatlantic hegemony possess an impulse to cut corners, and in turn, they are inattentive, conceptually timid, and lack vital engagement in assessing the 'power of Sizwe, ' the soul-force in liberation movements.'" --Katie G. Cannon, Union Presbyterian Seminary, Richmond, Virginia. " . . . a primer on hope born in struggle that is incisive. This book is grounded historically, autobiographically, and prophetically. Every page is a theological history of how people stay in the struggle for human dignity and freedom, undergirded by faith in God and in people. It is a major work for our times." --Valerie Bridgeman, Methodist Theological School, Ohio Allan Boesak, South African theologian and human rights activist, is the first holder of the Desmond Tutu Chair for Peace, Justice and Reconciliation Studies at Christian Theological Seminary and Butler University, Indianapolis. He is also the Dean's Research Associate at the Theological Faculty, Pretoria University. His previous books include *Dare We Speak of Hope?* (2014).

*Pharaohs, Villains and Thieves* Mar 26 2022 Published to accompany a live-action TV series, this book brings to life four events that took place in Egypt over 2,000 years ago, as recorded on wall paintings, etched in stone, and written on papyrus. The book opens with *The Battle of Megiddo*, the heroic tale of Pharaoh Tutmosis who overcame his enemies by conquering the city of Megiddo in ancient Palestine. Following on is "The Twins' Tale," the story of two unhappy sisters who, cast out from their mother's home, find themselves paying homage to a dead bull in order to avoid destitution. "The Tomb Robber's Tale" is a story of corruption in high places and thievery in deep vaults, as readers follow Amenpanufer's bid to plunder the tomb of the Pharaoh Sobekemsaf. "Murder in the Temple" plumbs the depths of villainy when two young sons are murdered by vengeful priests jealous of their father's power. The storylines are supplemented by box features on topics of special interest, such as how mummies were made, records were kept and tombs built.
