A Ballad of Love and Glory Feb 18 2022 A Long Petal of the Sea meets Cold Mountain in this "epic and exquisitely wrought" (Patricia Engel, New York Times bestselling author) saga following a Mexican army nurse and an Irish soldier who must fight, at first for their survival and then for their love, amidst the atrocity of the Mexican-American War—from the author of The Distance Between Us. A forgotten war. An unforgettable romance. The year is 1846. After the controversial annexation of Texas, the US Army marches south to provoke war with México over the disputed Río Grande boundary. Ximena Salomé is a gifted Mexican healer who dreams of building a family with the man she loves on the coveted land she calls home. But when Texas Rangers storm her ranch and shoot her husband dead, her dreams are burned to ashes. Vowing to honor her husband's memory and defend her country, Ximena uses her healing skills as a nurse on the frontlines of the ravaging war. Meanwhile, John Riley, an Irish immigrant in the Yankee army desperate to help his family escape the famine devastating his homeland, is sickened by the unjust war and the unspeakable atrocities against his countrymen by nativist officers. In a bold act of defiance, he swims across the Río Grande and joins the Mexican Army—a desertion punishable by execution. He forms the St. Patrick's Battalion, a band of Irish soldiers willing to fight to the death for México's freedom. When Ximena and John meet, a dangerous attraction blooms between them. As the war intensifies, so does their passion. Swept up by forces with the power to change history, they fight not only for the fate of a nation but for their future together. "A grand and soulful novel by a storyteller who has hit her full stride" (Julia Alvarez, author of In the Time of the Butterflies), A Ballad of Love and Glory effortlessly illuminates a largely forgotten moment in history that impacts the US-México border to this day.

I'll Be You Mar 27 2020 Two identical twin sisters and former child actors have grown apart—until one disappears, in this "cleverly crafted and psychologically nuanced" (Time) suspense novel from the New York Times bestselling author of Pretty Things. "An addictive thriller that will keep readers burning through pages . . . sneakily hypnotic."—Los Angeles Times ONE OF THE MOST ANTICIPATED BOOKS OF 2022—PopSugar, CrimeReads "You be me, and I'll be you," I whispered. As children, Sam and Elli were two halves of a perfect whole: gorgeous identical twins whose parents sometimes couldn't even tell them apart. They fell asleep to the sound of each other's breath at night, holding hands in the dark. And once Hollywood discovered them, they became B-list child TV stars, often inhabiting the same role. But as adults, their lives have splintered. After leaving acting, Elli reinvented herself as the

perfect homemaker: married to a real estate lawyer, living in a house just blocks from the beach. Meanwhile, Sam has never recovered from her failed Hollywood career, or from her addiction to the pills and booze that have propped her up for the last fifteen years. Sam hasn't spoken to her sister since her destructive behavior finally drove a wedge between them. So when her father calls out of the blue, Sam is shocked to learn that Elli's life has been in turmoil: her husband moved out, and Elli just adopted a two-year-old girl. Now she's stopped answering her phone and checked in to a mysterious spa in Ojai. Is her sister just decompressing, or is she in trouble? Could she have possibly joined a cult? As Sam works to connect the dots left by Elli's baffling disappearance, she realizes that the bond between her and her sister is more complicated than she ever knew. *I'll Be You* shows Janelle Brown at the top of her game: a story packed with surprising revelations and sharp insights about the choices that define our families and our lives—and could just as easily destroy them.

Running from Safety Aug 12 2021 A half-mile up, suspended by nylon wings and the promise of good lift, life hangs on a pledge. His promise went unfulfilled until one day, hovering between earth and sky, Richard encounters Dickie Bach, age nine--irrepressible challenger of every notion Richard embraces.... In this exhilarating adventure, Richard and Dickie probe the timeless questions both need answered if either is to be whole: Why does growing spiritually mean never growing up? Can we peacefully coexist with the consequences of our choices? Why is it that only by running from safety can we make our wildest dreams take flight?

Praying for Strangers Dec 04 2020 What if there was something you could do-something simple, yet so powerful-that could positively influence others and change your life in the process? Critically acclaimed author River Jordan discovered that very thing... As 2009 approached, both of River Jordan's sons were about to go off to war-one to Iraq and the other to

Afghanistan-and she was planning a family reunion to see them off. All River could do was pray for her sons' safety and hope to maintain her strength, until she unexpectedly came upon the perfect New Year's resolution-one that focused on others instead of herself. She would pray for a complete stranger every single day of the year. In *Praying for Strangers*, Jordan tells that the discovery that she made along the journey was not simply that her prayers touched the lives of these strangers (in often astounding ways), but that the unexpected connections she made with other people would be a profound experience that would change her life forever.

The Adventure of I Aug 20 2019 The Adventure of I is one of the most complete, logical and practical books written about the power of the human mind, Universal Consciousness, the Laws and Principles of the Universe, and your ability to direct your mind and create the life you desire with the power of your will. This book will take you on a journey to the centre of your reality where you will discover the mighty I within, and in so doing, you will come to understand just what is meant by the greatest maxim of all time, 'Know Thyself'. It is unlike other books on the subject in that it is founded on what is called Top-Down-Living, which is to live life from the higher vantage point of your Real Self. Only by raising your degree of consciousness above the Physical Plane of your physical experience and the Mental Plane of your thoughts, desires and emotions, can you have directive power over them. Trying to change your physical experience at the degree of consciousness of the physical you is akin to manipulating an already printed photograph and expecting the changes to be reflected when you print it out again from the original negative. The Adventure of I teaches you how to change the 'original' so as to create lasting change in your life. You will gain an unparalleled understanding of the underlying mental nature of the Universe and how your mind creates your reality through It. You will discover the masculine and feminine principles of your mind and how they work together for the same purpose that is creation. You will learn precisely why your mind must, by definition, be one and the same with the One Universal Mind of The Absolute in Its entirety, for which nothing is impossible. You will learn about the seven Universal Laws and other Principles that govern everything and everyone in the Universe, and how to use the Higher Laws to master the Lower Laws and transcend the influence of polarity and rhythm in your life. You will learn practical techniques for consciously creating your experience of reality, one desire at a time, under the direction of your will and the knowing of your intuition. You will discover long-lost secrets about the nature of the Universe and your mind's central place within Its Omnipotence, and much more. Ultimately, The Adventure of I will empower you to utter the most profound statement, 'I AM I', with full authority, and in so doing, you will become the master of your destiny.
