Fool Proof Dictation Jan 04 2023 Dictation exercises alone worth every penny! Fool Proof Dictation can help anyone learn to dictate prose proficiently and fluently. How? By taking the fear and mystery out of dictation. By providing exercises designed to nurture and connect parts of the brain used during dictation. By offering specific tips to remove the discomfort that causes most writers to abandon dictation. Fool Proof Dictation is the only ebook of its kind, focusing primarily on the mental process of dictation. It's a self-paced training system that streamlines the dictation process. There are warm-ups, practical exercises, and an easy to follow routine for dictating your scenes. Fool Proof Dictation serves both absolute beginners and writers who've tried dictation but grew discouraged, eventually giving it up. This system offers an ease-of-use that will surprise everyone with how effective and gratifying dictation can be! This ebook details the method I use when I dictate fiction. It also explains all the exercises I've used over time to train my brain for effective dictation. On top of that, it includes enough prompts to keep those exercises working for months!

The Scribe Method Feb 22 2022 Ready to write your book? So why haven't you done it yet? If you're like most nonfiction authors, fears are holding you back. Sound familiar? Is my idea good enough? How do I structure a book? What exactly are the steps to write it? How do I stay motivated? What if I actually finish it, and it's bad? Worst of all: what if I publish it, and no one cares? How do I know if I'm even doing the right things? The truth is, writing a book can be scary and overwhelming—but it doesn't have to be. There's a way to know you're on the right path and taking the right steps. How? By using a method that's been validated with thousands of other Authors just like you. In fact, it's the same exact process used to produce dozens of big bestsellers—including David Goggins's Can't Hurt Me, Tiffany Haddish's The Last Black Unicorn, and Joey Coleman's Never Lose a Customer Again. The Scribe Method is the tested and proven process that will help you navigate the entire book-writing process from start to finish—the right way. Written by 4x New York Times Bestselling Author Tucker Max and publishing expert Zach Obront, you'll learn the step-by-step method that has helped over 1,500 authors write and publish their books. Now a Wall Street Journal Bestseller itself, The Scribe Method is specifically designed for business leaders, personal development gurus, entrepreneurs, and any expert in their field who has accumulated years of hard-won knowledge and wants to put it out into the world. Forget the rest of the books written by pretenders. This is the ultimate resource for anyone who wants to professionally write a great nonfiction book.

Dictation Oct 28 2019 "Four expertly turned stories" of comedy, deception, and revenge from the acclaimed author of Heir to the Glimmering World (TheNew York Times Book Review). A New York Times Notable Book Dictation brings together four long stories by this Pulitzer and Man Booker Prize finalist, forming a quartet of sly humor and piercing insight into the human heart. The title story imagines a fateful meeting between the secretaries to Henry James and Joseph Conrad at the peak of their fame. Timid Miss Hallowes, who types for Conrad, comes under the influence of James's Miss Bosanquet, high-spirited, flirtatious, and scheming. In a masterstroke of genius, Ozick hatches a plot between them to insert themselves into literary posterity. Each story in the collection starts in the comic mode, with heroes who suffer willful self-deceit. From self-deception, these not-so-innocents proceed to deceive others, who don't take it lightly. Revenge is the consequence—and for the reader, a delicious if dark recognition of emotional truth. In Dictation, an author whose stories have won four O. Henry first prizes "reveals herself a master" (The New York Times Book Review). "A testament to the seductions of language and the smoldering aspirations of art." —O, The Oprah Magazine "A brilliant book, a necessary book, a book that radiates the true intelligence of literature from every page." —The New York Observer

Uncovering the Logic of English: A Common-Sense Solution to America's Literacy Crisis

May 28 2022 "English is so illogical!" It is

generally believed that English is a language of exceptions. For many, learning to spell and read is frustrating. For some, it is impossible... especially for the 29% of Americans who are functionally illiterate. But what if the problem is not the language itself, but the rules we were taught? What if we could see the complexity of English as a powerful tool rather than a hindrance? --Denise Eide

Uncovering the Logic of English challenges the notion that English is illogical by systematically explaining English spelling and answering questions like "Why is there a silent final E in have, large, and house?" and "Why is discussion spelled with -sion rather than -tion?" With easy-to-read examples and anecdotes, this book describes: - the phonograms and spelling rules which explain 98% of English words - how English words are formed and how this knowledge can revolutionize vocabulary development - how understanding the reasons behind English spelling prevents students from needing to guess The author's inspiring commentary makes a compelling case that understanding the logic of English could transform literacy education and help solve America's literacy crisis. Thorough and filled with the latest linguistic and reading research, Uncovering the Logic of English demonstrates why this systematic approach should be as foundational to our education as 1+1=2.

Ludwig Wittgenstein: Dictating Philosophy May 16 2021 In this volume we witness Wittgenstein in the act of composing and experimenting with his new visions in philosophy. The book includes key explanations of the origin and background of these previously unknown manuscripts. It investigates how Wittgenstein's philosophical thought-processes are revealed in his dictation to, as well as his editing and revision with Francis Skinner, in the latter's role of amanuensis. The book displays a considerable wealth and variety of Wittgenstein's fundamental experiments in philosophy across a wide array of subjects that include the mind, pure and applied mathematics, metaphysics, the identities of ordinary and creative language, as well as intractable problems in logic and life. He also periodically engages with the work of Newton, Fermat, Russell and others. The book shows Wittgenstein strongly battling against the limits of understanding and the bewitchment of institutional and linguistic customs. The reader is drawn in by Wittgenstein as he urges us to join him in his struggles to equip us with skills, so that we can embark on devising new pathways beyond confusion. This collection of manuscripts was posted off by Wittgenstein to be considered for publication during World War 2, in October 1941. None of it was published and it remained hidden for over two generations. Upon its rediscovery, Professor Gibson was invited to research, prepare and edit the Archive to appear as this book, encouraged by Trinity College Cambridge and The Mathematical Association. Niamh O'Mahony joined him in co-editing and bringing this book to publication.

Dictation Jul 30 2022 Tired of being chained down to your computer? Hands hurt from hours of writing? Looking for a way to dramatically increase your hourly word count? Want to write 1,000,000 words a year without breaking a sweat? Sounds a little crazy when you say it out loud. However, this is easier to accomplish than you'd think. Especially when using dictation for all your writing. Dictation has the power to transform your life whether you're writing a novel, short story, blog post, or paper. Whatever the outlet, dictation can help you increase your productivity levels. Over the past two years I've switched over to dictation and I went from writing about 250,000 words a year to over a million words. If I really wanted to amp things up I think I could go even higher! The quickest way to success as a new author is to pump out more quality books on a consistent basis. Many indie novelists try and get a full 100k+ book out every 3 - 6 months. Using dictation you'll be able to hit those goals with ease. You could release something new every month if you really felt inspired. So what's the secret to getting all this done? Well, dictation on its own, while wonderful won't write your book for you. You still need to build better writing habits and put in the work. Inside You Will Learn: An Introduction to Dictation Types of Voice Recognition Software First Starting Out With Dictation 5 Way To Improve Your Writing While Using Dictation 20+ Tips to Improve Your Writing and Dictation Skills Dictation Apps, Books & Resource Guide FREE Book on Mindfulness + 1 More FREE Bonus Book Included!
