**The 7 1/2 Deaths of Evelyn Hardcastle** Jan 25 2022 "Agatha Christie meets Groundhog Day...quite unlike anything I've ever read, and altogether triumphant."—A. J. Finn, #1 New York Times bestselling author of *The Woman in the Window* *The Rules of Blackheath* Evelyn Hardcastle will be murdered at 11:00 p.m. There are eight days, and eight witnesses for you to inhabit. We will only let you escape once you tell us the name of the killer. Understood? Then let's begin... \*\*\* Evelyn Hardcastle will die. Every day until Aiden Bishop can identify her killer and break the cycle. But every time the day begins again, Aiden wakes up in the body of a different guest. And some of his hosts are more helpful than others. For fans of Claire North and Kate Atkinson, *The 7 1/2 Deaths of Evelyn Hardcastle* is a breathlessly addictive novel that follows one man's race against time to find a killer—but an astonishing time-turning twist means that nothing and no one are quite what they seem. Praise for *The 7 1/2 Deaths of Evelyn Hardcastle*: Costa First Novel Award 2018 Winner One of Stylist Magazine's 20 Must-Read Books of 2018 One of Harper's Bazaar's 10 Must-Read Books of 2018 One of Guardian's Best Books of 2018

*The Secret Lives of Colour* Jun 17 2021 THE SUNDAY TIMES BESTSELLER 'A mind-expanding tour of the world without leaving your paintbox. Every colour has a story, and here are some of the most alluring, alarming, and thought-provoking. Very hard painting the hallway magnolia after this inspiring primer.' Simon Garfield *The Secret Lives of Colour* tells the unusual stories of the 75 most fascinating shades, dyes and hues. From blonde to ginger, the brown that changed the way battles were fought to the white that protected against the plague, Picasso's blue period to the charcoal on the cave walls at Lascaux, acid yellow to Kelly Green, and from scarlet women to imperial purple, these surprising stories run like a bright thread throughout history. In this book Kassia St Clair has turned her lifelong obsession with colours and where they come from (whether Van Gogh's chrome yellow sunflowers or punk's fluorescent pink) into a unique study of human civilisation. Across fashion and politics, art and war, *The Secret Lives of Colour* tell the vivid story of our culture.

**The Boys** Jul 07 2020 INSTANT NEW YORK TIMES BESTSELLER "This extraordinary book is not only a chronicle of Ron's and Clint's early careers and their wild adventures, but also a primer on so many topics—how an actor prepares, how to survive as a kid working in Hollywood, and how to be the best parents in the world! *The Boys* will surprise every reader with its humanity." — Tom Hanks "I have read dozens of Hollywood memoirs. But *The Boys* stands alone. A delightful, warm and fascinating story of a good life in show business." — Malcolm Gladwell *Happy Days*, *The Andy Griffith Show*, *Gentle Ben*—these shows captivated millions of TV viewers in the '60s and '70s. Join award-winning filmmaker Ron Howard and audience-favorite actor Clint Howard as they frankly and fondly share their unusual family story of navigating and surviving life as sibling child actors. "What was it like to grow up on TV?" Ron Howard has been asked this question throughout his adult life. In *The Boys*, he and his younger brother, Clint, examine their childhoods in detail for the first time. For Ron, playing Opie on *The Andy Griffith Show* and Richie Cunningham on *Happy Days* offered fame, joy, and opportunity—but also invited stress and bullying. For Clint, a fast start on such programs as *Gentle Ben* and *Star Trek* petered out in adolescence, with some tough consequences and lessons. With the perspective of time and success—Ron as a filmmaker, producer, and Hollywood A-lister, Clint as a busy character actor—the Howard brothers delve deep into an upbringing that seemed normal to them yet was anything but. Their Midwestern parents, Rance and Jean, moved to California to pursue their own showbiz dreams. But it was their young sons who found steady employment as actors. Rance put aside his ego and ambition to become Ron and Clint's teacher, sage, and moral compass. Jean became their loving protector—sometimes over-protector—from the snares and traps of Hollywood. By turns confessional, nostalgic, heartwarming, and harrowing, *THE BOYS* is a dual narrative that lifts the lid on the Howard brothers' closely held lives. It's the journey of a tight four-person family unit that held fast in an unforgiving business and of two brothers who survived "child-actor syndrome" to become fulfilled adults.

**The Prayers Contained in the Life of Christ. By Bishop Jeremy Taylor** Apr 03 2020

**Against All Odds** Oct 10 2020

**House of Thirteen** Dec 24 2021 Everything happens for a reason... doesn't it? Ren never put stock in sappy clichés... at least, not until the day she died. She's alive - again - but in hiding, adopted by the strangest of foster families: The Delaneys. Now, part of a sisterhood drawn together by the same unknown force that spared her life, she will begin a journey she could never have imagined: leaving her every day world for one much more bizarre. It will be harder than she imagines, but alongside her newfound sisters, Ren will soon discover that everything does happen for a reason, but sometimes, those reasons are better left unknown."

**The Help** Apr 15 2021 Limited and persecuted by racial divides in 1962 Jackson, Mississippi, three women, including an African-American maid, her sassy and chronically unemployed friend and a recently graduated white woman, team up for a clandestine project against a backdrop of the budding civil rights era. Includes reading-group guide. Reissue. A #1 best-selling novel.

[Narrative of the Life of Frederick Douglass, an American Slave](#) Nov 10 2020 *Narrative of the Life of Frederick Douglass* is an 1845 memoir and treatise on abolition written by famous orator and former slave Frederick Douglass during his time in Lynn, Massachusetts. It is generally held to be the most famous of a number of narratives written by former slaves during the same period. In factual detail, the text describes the events of his life and is considered to be one of the most influential pieces of literature to fuel the abolitionist movement of the early 19th century in the United States. *Narrative of the Life of Frederick Douglass* encompasses eleven chapters that recount Douglass's life as a slave and his ambition to become a free man.

**Georgia Women** May 29 2022 This first of two volumes extends from the founding of the colony of Georgia in 1733 up to the Progressive era. From the beginning, Georgia women were instrumental in shaping the state, yet most histories minimize their contributions. The essays in this volume include women of many ethnicities and classes who played an important role in Georgia's history. Though sources for understanding the lives of

women in Georgia during the colonial period are scarce, the early essays profile Mary Musgrove, an important player in the relations between the Creek nation and the British Crown, and the loyalist Elizabeth Johnston, who left Georgia for Nova Scotia in 1806. Another essay examines the near-mythical quality of the American Revolution-era accounts of "Georgia's War Woman," Nancy Hart. The later essays are multifaceted in their examination of the way different women experienced Georgia's antebellum social and political life, the tumult of the Civil War, and the lingering consequences of both the conflict itself and Emancipation. After the war, both necessity and opportunity changed women's lives, as educated white women like Eliza Andrews established or taught in schools and as African American women like Lucy Craft Laney, who later founded the Haines Institute, attended school for the first time. Georgia Women also profiles reform-minded women like Mary Latimer McLendon, Rebecca Latimer Felton, Mildred Rutherford, Nellie Peters Black, and Martha Berry, who worked tirelessly for causes ranging from temperance to suffrage to education. The stories of the women portrayed in this volume provide valuable glimpses into the lives and experiences of all Georgia women during the first century and a half of the state's existence. Historical figures include: Mary Musgrove Nancy Hart Elizabeth Lichtenstein Johnston Ellen Craft Fanny Kemble Frances Butler Leigh Susie King Taylor Eliza Frances Andrews Amanda America Dickson Mary Ann Harris Gay Rebecca Latimer Felton Mary Latimer McLendon Mildred Lewis Rutherford Nellie Peters Black Lucy Craft Laney Martha Berry Corra Harris Juliette Gordon Low

Curbing Traffic Aug 08 2020 In *Curbing Traffic: The Human Case for Fewer Cars in Our Lives*, mobility experts Melissa and Chris Bruntlett chronicle their experience living in the Netherlands and the benefits that result from treating cars as visitors rather than owners of the road. They weave their personal story with research and interviews with experts and Delft locals to help readers share the experience of living in a city designed for people. Their insights will help decision makers and advocates to better understand and communicate the human impacts of low-car cities: lower anxiety and stress, increased independence, social autonomy, inclusion, and improved mental and physical wellbeing. *Curbing Traffic* provides relatable, emotional, and personal reasons why it matters and inspiration for exporting the low-car city.

**How the Other Half Lives** Sep 28 2019

**All Thirteen: The Incredible Cave Rescue of the Thai Boys' Soccer Team** Sep 01 2022 A unique account of the amazing Thai cave rescue told in a heart-racing, you-are-there style that blends suspense, science, and cultural insight. On June 23, 2018, twelve young players of the Wild Boars soccer team and their coach enter a cave in northern Thailand seeking an afternoon's adventure. But when they turn to leave, rising floodwaters block their path out. The boys are trapped! Before long, news of the missing team spreads, launching a seventeen-day rescue operation involving thousands of rescuers from around the globe. As the world sits vigil, people begin to wonder: how long can a group of ordinary kids survive in complete darkness, with no food or clean water? Luckily, the Wild Boars are a very extraordinary "ordinary" group. Combining firsthand interviews of rescue workers with in-depth science and details of the region's culture and religion, author Christina Soontornvat—who was visiting family in Northern Thailand when the Wild Boars went missing—masterfully shows how both the complex engineering operation above ground and the mental struggles of the thirteen young people below proved critical in the life-or-death mission. Meticulously researched and generously illustrated with photographs, this page-turner includes an author's note describing her experience meeting the team, detailed source notes, and a bibliography to fully immerse readers in the most ambitious cave rescue in history.

*The First Fifteen Lives of Harry August* Jul 31 2022 Wildly original, funny and moving, *The First Fifteen Lives of Harry August* is an extraordinary story of a life lived again and again from World Fantasy Award-winning author Claire North. Harry August is on his deathbed. Again. No matter what he does or the decisions he makes, when death comes, Harry always returns to where he began, a child with all the knowledge of a life he has already lived a dozen times before. Nothing ever changes. Until now. As Harry nears the end of his eleventh life, a little girl appears at his bedside. "I nearly missed you, Doctor August," she says. "I need to send a message." This is the story of what Harry does next, and what he did before, and how he tries to save a past he cannot change and a future he cannot allow.

*12 Rules for Life* Jan 13 2021 #1 NATIONAL BESTSELLER #1 INTERNATIONAL BESTSELLER What does everyone in the modern world need to know? Renowned psychologist Jordan B. Peterson's answer to this most difficult of questions uniquely combines the hard-won truths of ancient tradition with the stunning revelations of cutting-edge scientific research. Humorous, surprising and informative, Dr. Peterson tells us why skateboarding boys and girls must be left alone, what terrible fate awaits those who criticize too easily, and why you should always pet a cat when you meet one on the street. What does the nervous system of the lowly lobster have to tell us about standing up straight (with our shoulders back) and about success in life? Why did ancient Egyptians worship the capacity to pay careful attention as the highest of gods? What dreadful paths do people tread when they become resentful, arrogant and vengeful? Dr. Peterson journeys broadly, discussing discipline, freedom, adventure and responsibility, distilling the world's wisdom into 12 practical and profound rules for life. *12 Rules for Life* shatters the modern commonplaces of science, faith and human nature, while transforming and ennobling the mind and spirit of its readers.

**The Twelve Lives of Alfred Hitchcock: An Anatomy of the Master of Suspense** May 05 2020 Winner of the 2022 Edgar Award for Best Biography An Economist Best Book of 2021 A fresh, innovative biography of the twentieth century's most iconic filmmaker. In *The Twelve Lives of Alfred Hitchcock*, Edward White explores the Hitchcock phenomenon—what defines it, how it was invented, what it reveals about the man at its core, and how its legacy continues to shape our cultural world. The book's twelve chapters illuminate different aspects of Hitchcock's life and work: "The Boy Who Couldn't Grow Up"; "The Murderer"; "The Auteur"; "The Womanizer"; "The Fat Man"; "The Dandy"; "The Family Man"; "The Voyeur"; "The Entertainer"; "The Pioneer"; "The Londoner"; "The Man of God." Each of these angles reveals something fundamental about the man he was and the mythological creature he has become, presenting not just the life Hitchcock lived but also the various versions of himself that he projected, and those projected on his behalf. From Hitchcock's early work in England to his most celebrated films, White astutely analyzes Hitchcock's oeuvre and provides new interpretations. He also delves into Hitchcock's ideas about gender; his complicated relationships with "his women"—not only Grace Kelly and Tippi Hedren but also his female audiences—as well as leading men such as Cary Grant, and writes movingly of Hitchcock's devotion to his wife and lifelong companion, Alma, who made vital contributions to numerous classic Hitchcock films, and burnished his mythology. And White is trenchant in his assessment of the Hitchcock persona, so carefully created that Hitchcock became not only a figurehead for his own industry but nothing less than a cultural icon. Ultimately, White's portrayal illuminates a vital truth: Hitchcock was more than a Hollywood titan; he was the definitive modern artist, and his significance reaches far beyond the confines of cinema.

**Thirteen Lessons that Saved Thirteen Lives** Dec 04 2022 John Volanthen is a legendary British cave-diver and one of the two-man team who discovered and rescued the Wild Boars soccer team from the sunken cave in Tham Luang, Thailand. *Thirteen Lessons that Saved Thirteen Lives* is the deeply revealing and nail-biting account of that incredible rescue. Each chapter tells one part of the story from Tham Luang but also imparts a life lesson, gleaned from John's exploration and rescue efforts, that can be applied to everyday obstacles and challenges. We are in the cave with John and his story of how an average guy can do the unimaginable will inspire the superhero in us all.

**Summary of John Volanthen's Thirteen Lessons that Saved Thirteen Lives** Mar 27 2022 Please note: This is a companion version & not the original book. Sample Book Insights: #1 I had previously been asked to enter caves with the aim of bringing both the dead and the living to the surface, so I understood just how unpredictable the work in Thailand could be. I had heard the terrain was challenging, and I was excited. #2 I had always loved caving, and was obsessed with the idea of cave diving. I was able to overcome the obstacles in and out of water, and the sport felt exciting. But when I went to the much-hyped challenges of Swildon's Hole's second sump, it wasn't as dangerous as I had been told. #3 I was interested in cave diving, a form of exploration that involves swimming underwater tunnels and caverns. I understood that calm thought was needed for a diver to function effectively, especially because the world in which they were operating was similar to the Death Zone on a mountain such as K2, where a lack of oxygen strains the major organs. #4 Cave diving is a type of exploration that involves moving through a dark and mysterious world, some of which can only be accessed by diving into water. It is a means to an end, and the discovery of new passages is the aim.

**The Tangled Tree** Jul 19 2021 In this New York Times bestseller and longlist nominee for the National Book Award, "our greatest living chronicler of the natural world" (The New York Times), David Quammen explains how recent discoveries in molecular biology affect our understanding of

evolution and life's history. In the mid-1970s, scientists began using DNA sequences to reexamine the history of all life. Perhaps the most startling discovery to come out of this new field—the study of life's diversity and relatedness at the molecular level—is horizontal gene transfer (HGT), or the movement of genes across species lines. It turns out that HGT has been widespread and important; we now know that roughly eight percent of the human genome arrived sideways by viral infection—a type of HGT. In *The Tangled Tree*, “the grandest tale in biology....David Quammen presents the science—and the scientists involved—with patience, candor, and flair” (Nature). We learn about the major players, such as Carl Woese, the most important little-known biologist of the twentieth century; Lynn Margulis, the notorious maverick whose wild ideas about “mosaic” creatures proved to be true; and Tsutomu Wantanabe, who discovered that the scourge of antibiotic-resistant bacteria is a direct result of horizontal gene transfer, bringing the deep study of genome histories to bear on a global crisis in public health. “David Quammen proves to be an immensely well-informed guide to a complex story” (The Wall Street Journal). In *The Tangled Tree*, he explains how molecular studies of evolution have brought startling recognitions about the tangled tree of life—including where we humans fit upon it. Thanks to new technologies, we now have the ability to alter even our genetic composition—through sideways insertions, as nature has long been doing. “The Tangled Tree is a source of wonder....Quammen has written a deep and daring intellectual adventure” (The Boston Globe).

**Hillbilly Elegy** Sep 08 2020 THE #1 NEW YORK TIMES BESTSELLER IS NOW A MAJOR-MOTION PICTURE DIRECTED BY RON HOWARD AND STARRING AMY ADAMS, GLENN CLOSE, AND GABRIEL BASSO "You will not read a more important book about America this year."—The Economist "A riveting book."—The Wall Street Journal "Essential reading."—David Brooks, New York Times *Hillbilly Elegy* is a passionate and personal analysis of a culture in crisis—that of white working-class Americans. The disintegration of this group, a process that has been slowly occurring now for more than forty years, has been reported with growing frequency and alarm, but has never before been written about as searingly from the inside. J. D. Vance tells the true story of what a social, regional, and class decline feels like when you were born with it hung around your neck. The Vance family story begins hopefully in postwar America. J. D.'s grandparents were “dirt poor and in love,” and moved north from Kentucky's Appalachia region to Ohio in the hopes of escaping the dreadful poverty around them. They raised a middle-class family, and eventually one of their grandchildren would graduate from Yale Law School, a conventional marker of success in achieving generational upward mobility. But as the family saga of *Hillbilly Elegy* plays out, we learn that J.D.'s grandparents, aunt, uncle, sister, and, most of all, his mother struggled profoundly with the demands of their new middle-class life, never fully escaping the legacy of abuse, alcoholism, poverty, and trauma so characteristic of their part of America. With piercing honesty, Vance shows how he himself still carries around the demons of his chaotic family history. A deeply moving memoir, with its share of humor and vividly colorful figures, *Hillbilly Elegy* is the story of how upward mobility really feels. And it is an urgent and troubling meditation on the loss of the American dream for a large segment of this country.

**The Round House** Oct 29 2019 Winner of the National Book Award • Washington Post Best Book of the Year • A New York Times Notable Book From one of the most revered novelists of our time, an exquisitely told story of a boy on the cusp of manhood who seeks justice and understanding in the wake of a terrible crime that upends and forever transforms his family. One Sunday in the spring of 1988, a woman living on a reservation in North Dakota is attacked. The details of the crime are slow to surface because Geraldine Coutts is traumatized and reluctant to relive or reveal what happened, either to the police or to her husband, Bazil, and thirteen-year-old son, Joe. In one day, Joe's life is irrevocably transformed. He tries to heal his mother, but she will not leave her bed and slips into an abyss of solitude. Increasingly alone, Joe finds himself thrust prematurely into an adult world for which he is ill prepared. While his father, a tribal judge, endeavors to wrest justice from a situation that defies his efforts, Joe becomes frustrated with the official investigation and sets out with his trusted friends, Cappy, Zack, and Angus, to get some answers of his own. Their quest takes them first to the Round House, a sacred space and place of worship for the Ojibwe. And this is only the beginning. *The Round House* is a page-turning masterpiece—at once a powerful coming-of-age story, a mystery, and a tender, moving novel of family, history, and culture.

**The Witching Hour** Oct 22 2021 From the author of the extraordinary *Vampire Chronicles* comes a huge, hypnotic novel of witchcraft and the occult through four centuries. Demonstrating, once again, her gift for spellbinding storytelling and the creation of legend, Anne Rice makes real for us a great dynasty of witches—a family given to poetry and to incest, to murder and to philosophy; a family that, over the ages, is itself haunted by a powerful, dangerous, and seductive being. On the veranda of a great New Orleans house, now faded, a mute and fragile woman sits rocking . . . and *The Witching Hour* begins. It begins in our time with a rescue at sea. Rowan Mayfair, a beautiful woman, a brilliant practitioner of neurosurgery—aware that she has special powers but unaware that she comes from an ancient line of witches—finds the drowned body of a man off the coast of California and brings him to life. He is Michael Curry, who was born in New Orleans and orphaned in childhood by fire on Christmas Eve, who pulled himself up from poverty, and who now, in his brief interval of death, has acquired a sensory power that mystifies and frightens him. As these two, fiercely drawn to each other, fall in love and—in passionate alliance—set out to solve the mystery of her past and his unwelcome gift, the novel moves backward and forward in time from today's New Orleans and San Francisco to long-ago Amsterdam and a chateau in the France of Louis XIV. An intricate tale of evil unfolds—an evil unleashed in seventeenth-century Scotland, where the first “witch,” Suzanne of the Mayfair, conjures up the spirit she names Lasher . . . a creation that spells her own destruction and torments each of her descendants in turn. From the coffee plantations of Port au Prince, where the great Mayfair fortune is made and the legacy of their dark power is almost destroyed, to Civil War New Orleans, as Julien—the clan's only male to be endowed with occult powers—provides for the dynasty its foothold in America, the dark, luminous story encompasses dramas of seduction and death, episodes of tenderness and healing. And always—through peril and escape, tension and release—there swirl around us the echoes of eternal war: innocence versus the corruption of the spirit, sanity against madness, life against death. With a dreamlike power, the novel draws us, through circuitous, twilight paths, to the present and Rowan's increasingly inspired and risky moves in the merciless game that binds her to her heritage. And in New Orleans, on Christmas Eve, this strangest of family sagas is brought to its startling climax.

**The Giver** Sep 20 2021 Living in a “perfect” world without social ills, a boy approaches the time when he will receive a life assignment from the Elders, but his selection leads him to a mysterious man known as the Giver, who reveals the dark secrets behind the utopian facade.

**Hi Cacti** Aug 20 2021 John Volanthen is a legendary British cave-diver and one of the two-man team who discovered and rescued the Wild Boars soccer team from the sunken cave in Tham Luang, Thailand. *Thirteen Lessons that Saved Thirteen Lives* is the deeply revealing and nail-biting account of that incredible rescue.

**The Five** Nov 22 2021 Miscast in the media for nearly 130 years, the victims of Jack the Ripper finally get their full stories told in this eye-opening and chilling reminder that life for middle-class women in Victorian London could be full of social pitfalls and peril.

**13 Lives and a Heart** Mar 15 2021 It's the day of Aryan Sirohi's execution. His life is beyond repair. He has been convicted of murder. His is the only trial in the history of the Indian Judiciary to have resulted in an unorthodox sentencing – death by lethal injection. In his ultimate moments, Aryan Sirohi is tied down to a chair and just before sodium thiopental is injected into his blood stream, he shuts his eyes and reflects back on his life one last time. Aryan Sirohi was not always a criminal. Once he was a shining star, a good son, a great friend and a besotted lover. What went wrong when all seemed perfect? This is a journey that takes you deep into the convoluted dark side of the human mind. A side that is born in a troubled childhood, feeds forever on fear and twists the very fabric of nature till it comes to rest in death. But death is only the beginning...

**The Dead Sea Scrolls** Mar 03 2020 Since they were first discovered in the caves at Qumran in 1947, the Dead Sea Scrolls have aroused more fascination— and controversy— than perhaps any other archaeological find. Collins sheds light on the bitter conflicts that have swirled around the scrolls, and sheds lights on their true significance for Jewish and Christian history.

**The Negro Motorist Green Book** Feb 23 2022 The idea of “The Green Book” is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places

move, or go out of business and new business places are started giving added employment to members of our race.

**Their Eyes Were Watching God** Jun 05 2020 Their Eyes Were Watching God is a 1937 novel by African-American writer Zora Neale Hurston. It is considered a classic of the Harlem Renaissance of the 1920s, and it is likely Hurston's best known work.

**Colleges That Change Lives** Feb 11 2021 Prospective college students and their parents have been relying on Loren Pope's expertise since 1995, when he published the first edition of this indispensable guide. This new edition profiles 41 colleges—all of which outdo the Ivies and research universities in producing performers, not only among A students but also among those who get Bs and Cs. Contents include: Evaluations of each school's program and "personality" Candid assessments by students, professors, and deans Information on the progress of graduates This new edition not only revisits schools listed in previous volumes to give readers a comprehensive assessment, it also addresses such issues as homeschooling, learning disabilities, and single-sex education.

**13 Hours** Dec 12 2020 NOW A MAJOR MOTION PICTURE The harrowing, true account from the brave men on the ground who fought back during the Battle of Benghazi. 13 HOURS presents, for the first time ever, the true account of the events of September 11, 2012, when terrorists attacked the US State Department Special Mission Compound and a nearby CIA station called the Annex in Benghazi, Libya. A team of six American security operators fought to repel the attackers and protect the Americans stationed there. Those men went beyond the call of duty, performing extraordinary acts of courage and heroism, to avert tragedy on a much larger scale. This is their personal account, never before told, of what happened during the thirteen hours of that now-infamous attack. 13 HOURS sets the record straight on what happened during a night that has been shrouded in mystery and controversy. Written by New York Times bestselling author Mitchell Zuckoff, this riveting book takes readers into the action-packed story of heroes who laid their lives on the line for one another, for their countrymen, and for their country. 13 HOURS is a stunning, eye-opening, and intense book—but most importantly, it is the truth. The story of what happened to these men—and what they accomplished—is unforgettable.

**The Boys in the Cave** Apr 27 2022 From award-winning ABC News Chief National Correspondent Matt Gutman, and written using exclusive interviews and information comes the definitive account of the dramatic story that gripped the world: the miracle rescue of twelve boys and their soccer coach trapped in a flooded cave miles underground for nearly three weeks—a pulse-pounding page-turner by a reporter who was there every step of their journey out. After a practice in June 2018, a Thai soccer coach took a dozen of his young players to explore a famous but flood-prone cave. It was one of the boys' birthday, but neither he nor the dozen resurfaced. Worried parents and rescuers flocked to the mouth of a cave that seemed to have swallowed the boys without a trace. Ranging in age from eleven to sixteen, the boys were all members of the Wild Boars soccer team. When water unexpectedly inundated the cave, blocking their escape, they retreated deeper inside, taking shelter in a side cavern. While the world feared them dead, the thirteen young souls survived by licking the condensation off the cave's walls, meditating, and huddling together for warmth. In this thrilling account, ABC News Chief National Correspondent Matt Gutman recounts this amazing story in depth and from every angle, exploring their time in the cave, the failed plans and human mistakes that nearly doomed them, and the daring mission that ultimately saved them. Gutman introduces the elite team of volunteer divers who risked death to execute a plan so risky that its American planners admitted, "for us, success would have meant getting just one boy out alive." He takes you inside the meetings where life and death decisions were grimly made and describes how these heroes pulled off an improbable rescue under immense pressure, with the boys' desperate parents and the entire world watching. One of the largest rescues in history was in doubt until the very last moment. Matt Gutman covered the story intensively, went deep inside the caves himself, and interviewed dozens of rescuers, experts and eye-witnesses around the world. The result is this pulse-pounding page-turner that vividly recreates this extraordinary event in all its intensity—and documents the ingenuity and sacrifice it took to succeed.

**Thirteen Lessons that Saved Thirteen Lives** Jan 05 2023 Diver John Volanthen reveals how he pushed the limits of human endurance in the life-or-death mission to rescue the Thai youth soccer team trapped for over a week in a flooded cave. The world held its breath in 2018 when the Wild Boars soccer team and their coach went missing deep underground in the Tham Luang cave complex in northern Thailand. They had been stranded by sudden, continuous monsoon rains while exploring the caves after practice. As the torrential rain persisted and the waters continued to rise, an army of rescue teams and equipment was deployed, including Thai Navy SEALs, a US Air Force special tactics squadron, police sniffer dogs, drones and robots. But it was British cave diver John Volanthen and his partner, Rick Stanton, who were first to reach the stranded team and who played a key role in their ultimate rescue. The picture of them alive on a ledge in a flooded cave made front page news worldwide. As John's light flickered from one boy to another, he called out, 'How many of you?' 'Thirteen,' a boy answered. 'Brilliant,' he said. After 10 days trapped in desperate blackness, the boys and their coach were all alive. Each chapter of Thirteen Lessons that Saved Thirteen Lives tells one part of the edge-of-your-seat mission from Tham Luang but also imparts a life lesson, gleaned from John's previous rescues and record-breaking cave dives, that can be applied to everyday obstacles and challenges. In this story of breathtaking courage and mental mastery, John reveals how responding positively to the statement, 'But I can't...' by stating, 'I can,' led to one of the most incredible rescues in history. He hopes that his story will inspire the superhero in you.

**Aquanaut** Oct 02 2022 THE ENTHRALLING INSIDE STORY OF THE THAI CAVE RESCUE NOW CHRONICLED IN NATIONAL GEOGRAPHIC HIT DOCUMENTARY THE RESCUE WRITTEN BY THE MAN AT THE HEART OF THE MISSION 'The British divers are all heroes' Clive Cussler 'A case study in courage' Ron Howard, Oscar-winning director of Apollo 13 \_\_\_\_\_ 'They were utterly alone inside the mountain, isolated from the rest of the world. They might as well have been on another planet . . .' In July 2018, twelve boys and their football coach disappeared into Tham Luang Cave in Thailand. Trapped miles beneath the surface, not even the Thai Navy SEALs had the skills to bring them to safety. With the floodwater rising rapidly, time was running out . . . Any hope of survival rested on Rick Stanton, a retired Midlands firefighter with a living room full of homemade cave-diving equipment. As unlikely as it seemed, to those in the know, Rick and his partner, John Volanthen, were regarded as the A-team for exactly this kind of mission. The Thai Cave Rescue was the culmination of a lifelong obsession, requiring every ounce of skill and ingenuity accumulated by Rick over a four decade pursuit of the unknown. While the world held its breath, Rick, John and their assembled team raced against time in the face of near impossible odds. There was simply no precedent for what they were attempting to do . . . In Aquanaut Rick reveals the real story of the cave rescue for the first time. And of a life lived without compromise in which any mistake could have been his last. It's an edge-of-your-seat story of courage and conviction that will take you deep into the most remote and unforgiving places on the planet, told with humour, unflinching honesty, and a relentless drive for adventure. \_\_\_\_\_ 'Diver Rick Stanton relives the rescue of the century' SUNDAY TIMES 'This is their riveting, behind-the-scenes story. Captivating' SUNDAY POST THE RESCUE WATCHED BY THE WORLD 'The Thai cave rescue was phenomenally dangerous, and the work of true heroes' iNews '[The rescue] was fantastic, it really was . . .' HRH Prince William 'If it was me stuck anywhere, the one person I would want to come and rescue me is Rick Stanton' Alex Daw, Watch Commander, West Midlands Fire Service 'One of the great stories of our time' Elizabeth Chai Vasarhelyi, Oscar-winning co-director of Free Solo 'Rick Stanton is not the most domesticated of men' Sunday Telegraph

**Thirteen Lessons That Saved Thirteen Lives** Nov 03 2022 John Volanthen is a legendary British cave-diver and one of the two-man team who discovered and rescued the Wild Boars soccer team from the sunken cave in Tham Luang, Thailand. Thirteen Lessons that Saved Thirteen Lives is the deeply revealing and nail-biting account of that incredible rescue. Each chapter tells one part of the story from Tham Luang but also imparts a life lesson, gleaned from John's exploration and rescue efforts, that can be applied to everyday obstacles and challenges. We are in the cave with John and his story of how an average guy can do the unimaginable will inspire the superhero in us all.

**13** May 17 2021 "13" is a space opera that evokes Heavy Metal in its sexuality, innovation, and flat-out strangeness. In a future beset by poverty and subjugation, the privileged live in orbital penthouses and use the underclasses for parts. One young man has his arms taken from him and undertakes an epic journey to become whole.

**The Magicians** Jan 31 2020 The New York Times bestselling novel about a young man practicing magic in the real world, now an original series on SYFY "The Magicians is to Harry Potter as a shot of Irish whiskey is to a glass of weak tea. . . . Hogwarts was never like this." —George R.R. Martin "Sad, hilarious, beautiful, and essential to anyone who cares about modern fantasy." —Joe Hill "A very knowing and wonderful take on the wizard

school genre.” —John Green “The Magicians may just be the most subversive, gripping and enchanting fantasy novel I’ve read this century.” —Cory Doctorow “This gripping novel draws on the conventions of contemporary and classic fantasy novels in order to upend them . . . an unexpectedly moving coming-of-age story.” —The New Yorker “The best urban fantasy in years.” —A.V. Club Quentin Coldwater is brilliant but miserable. A high school math genius, he’s secretly fascinated with a series of children’s fantasy novels set in a magical land called Fillory, and real life is disappointing by comparison. When Quentin is unexpectedly admitted to an elite, secret college of magic, it looks like his wildest dreams have come true. But his newfound powers lead him down a rabbit hole of hedonism and disillusionment, and ultimately to the dark secret behind the story of Fillory. The land of his childhood fantasies turns out to be much darker and more dangerous than he ever could have imagined. . . . The prequel to the New York Times bestselling book *The Magician King* and the #1 bestseller *The Magician’s Land*, *The Magicians* is one of the most daring and inventive works of literary fantasy in years. No one who has escaped into the worlds of Narnia and Harry Potter should miss this breathtaking return to the landscape of the imagination.

*The 13 1/2 Lives of Captain Blue Bear* Jun 29 2022 From an author who is “equal parts J.K. Rowling, Douglas Adams, and Shel Silverstein,” the zany illustrated adventures of a sea-faring blue bear. —The Washington Post Captain Bluebear is a bear with blue fur, a creature as unique as the fantastic adventures he undergoes. Unlike cats, which have only nine lives, bluebears have twenty-seven. This is fortunate, because our hero is forever avoiding disaster by a paw’s breadth. In this remarkable book, Captain Bluebear tells the story of his first thirteen-and-a-half lives spent on the mysterious continent of Zamonia, where intelligence is an infectious disease and water flows uphill, where headless giants roam deserts made of sugar, and where only Captain Bluebear’s courage and ingenuity enable him to escape the dangers that lie in wait for him around every corner. In company with our indomitable hero, we enter a land of imaginative lunacy and supreme adventure, wicked satire and epic fantasy, all mixed together, turned on its head, and lavishly illustrated by the author. Praise for Walter Moers: “Sheer craziness . . . very amusing.” —Daily Telegraph “Moers’s great strength, as evidenced by the multitude of characters he presents, is his creativity. Less a text and more an imagination on paper.” —Philadelphia Enquirer “Moers’ creative mind is like J.K. Rowling on ecstasy.” —Detroit News
